The NBA's Global Empire Joshua K. Wright, 2025-02-21 During the 1992 Summer Olympics in Barcelona the Dream Team a collective of the National Basketball Association's top talent led by Michael Jordan Magic Johnson Larry Bird and Charles Barkley shook up the world as they amazed spectators and opponents on their way to winning gold Their success introduced the world to the NBA's charismatic superstars and their artistic brand of basketball Over the next two decades youth outside of America dreamed of becoming the next Michael Jordan Kobe Bryant and LeBron James The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies By the 2022-23 NBA season there were 109 international players from 39 countries a Canadian franchise and a league in Africa Today's best players are Africans Canadians and Europeans like Nikola Jokic and Victor Wembanyama This book presents the history of the NBA's ascension to a billion dollar global empire analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium How essential is globalization for the NBA to thrive in the 21st century Do the benefits outweigh the geopolitical controversies associated with being a global brand Is globalization responsible for a decline in American born NBA players and declining domestic popularity These questions and others are answered in this first treatment of the NBA's global reach

Jayhawker Andrew Malan Milward, 2019-10-21 Wars ravage Iraq and Afghanistan An earthquake devastates Haiti The economy is in crisis and America is in the death grip of partisan politics But what really really gets you down Your college basketball team loses a key game It kind of makes a person wonder first of course about his priorities but then inevitably about the nature of such an obsession one clearly shared with millions of sports fans spanning the United States In a book that begins with one fan's passion for a game Andrew Malan Milward takes a deep dive into sports culture team loyalty and a shared sense of belonging and what these have to do with character home and history At the University of Kansas where the inventor of the sport coached its first team basketball is a religion and Milward is a devoted follower with a faith that has grown despite time and distance *Jayhawker* his first venture into nonfiction bears the marks of the accomplished storyteller Sharply observed deftly written and often as dramatic as its subject the book pairs personal memoir with cultural history to conduct us from the world of the athlete to the literary life from competition to camaraderie from the history of the game to the game as a reflection of American history at its darkest hour and in its shining moments A journey through one man's obsession with basketball *Jayhawker* On History Home and Basketball tells a quintessential American story
