Photography and Reform Lewis Hine, 1984 Photography and Reform Verna Posever Curtis, Stanley Mallach, 1984

Breaker Boys Michael Burgan, 2012 Recounts photographer Lewis Hines fight against child labor in the early 1900s and discusses how his work and the work of others revealed truths about the issue to the public **The Body at Risk** Carol Squiers, 2005 The Body at Risk Photography of Disorder Illness and Healing is the first book to explore the ways that photojournalists and social documentarians have conceptualized the human subject as a site of both good and ill health The volume looks at photographs depicting child laborers Depression era health programs general medical care in the southern United States at mid century people with HIV AIDS and polio along with their caretakers and the health workers who advocate for them environmental pollution physical and psychological injuries received during warfare domestic violence and emergency care in the modern urban hospital It brings together ten significant bodies of photographs made over the past one hundred years to show how human health topics have been represented for the general public and how the emphasis on health has shifted how photography has been used to present and promote certain points of view about health and the social circumstances that affect it both positively and negatively and how photography has helped shape public knowledge of and opinion about health care and some of the events and circumstances that engender it *Lewis W. Hine* Vicki Goldberg, 1999 Lewis Hine s famous images of child laborers in America American Social Leaders and Activists Neil A.

Photographers of Genius at the Getty Weston J. Naef, J. Paul Getty Museum, 2004 Celebrating 20 years of collecting photographs at the Getty Museum Photographers of Genius at the Getty spotlights the genius of 38 seminal photographers selected from the hundreds of artists represented in the collection **The Routledge Companion to Art and Disability** Keri Watson, Timothy W. Hiles, 2022-03-30 The Routledge Companion to Art and Disability explores disability in visual culture to uncover the ways in which bodily and cognitive differences are articulated physically and theoretically and to demonstrate the ways in which disability is culturally constructed This companion is organized thematically and includes artists from across historical periods and cultures in order to demonstrate the ways in which disability is historically and culturally contingent The book engages with questions such as How are people with disabilities represented in art How are notions of disability articulated in relation to ideas of normality hybridity and anomaly How do artists use visual culture to affirm or subvert notions of the normative body Contributors consider the changing role of disability in visual culture the place of representations in society and the ways in which disability studies engages with and critiques intersectional notions of gender race ethnicity class and sexuality This book will be particularly useful for scholars in art history disability studies visual culture and museum studies The Traveling Camera Alexandra S.D. Hinrichs, 2021-09-14 This poetic and beautiful picture book chronicles the travels of Lewis Hine who used his camera to document child labor in the early twentieth century

Stunning visuals and poetic text combine to tell the inspiring story of Lewis Hine 1874 1940 a teacher and photographer who employed his art as a tool for social reform Working for the National Child Labor Committee Hine traveled the United States taking pictures of children as young as five toiling under dangerous conditions in cotton mills seafood canneries farms and coal mines He often wore disguises to sneak into factories impersonating a machinery inspector or traveling salesman He said If I could tell this story in words I wouldn't need to lug a camera His poignant pictures attracted national attention and were instrumental in the passage of child labor laws The Traveling Camera contains extensive back matter including a time line original photos and a bibliography Encyclopedia of U.S. Labor and Working-class History Eric Arnesen, 2007 Publisher Description Photographic Treasures from the Cincinnati Art Museum Cincinnati Art Museum, Kristin L.
