Photography In The 20th Century:

20th Century Photography, 2000 *Photos that Changed the World* Peter Stepan, Claus Biegert, 2006-04-25 Top political and social events of the 20th century as well as highlights from the worlds of culture science and sports all documented in more than 100 stunning photographs BACK COVER **Czech Photography of the 20th Century** Vladimír Birgus, Jan Mlčoch, 2010 **20th Century Photographers** Grace Schaub, 2014-11-13 This book is a compilation of interviews and essays that cover a broad range of photographers and photographic disciplines Each photographer profiled made a living by concentrating on a specific aspect of the craft but in doing so transcended their livelihood to become recognized for more than the type of images they created Each had a distinct style creative approach dedication to the craft point of view about themselves and the world These interviews were conducted during a seminal period in the shift from film to digital and from print reproduction to global distribution on the Internet Just like their photographs continue to inspire today now these pros words can live on as an invaluable reference for the photographers of the future The truth and wisdom in this collection transcend time and technology How You Look at it Thomas Weski, Heinz Liesbrock, 2000-01-01 Photography as no other medium has profoundly shaped our view of the twentieth century In the same way that Brassai's Paris in the thirties seems more authentic to us than most history books Walker Evans' raw images bring into sharp focus the hardships endured by Americans in the dark days of the Depression How you look at it with its emphasis on the photography of visual reality combines high artistic aspirations with clear social and historical awareness Taken together these photographs provide a unique record of the varied developments of the last century depicting the radical changes that have taken place in our towns and landscapes in transportation in technology and in our private lives BOOK JACKET **Czech Photography of the 20th Century** Vladimír Birgus, Jan Mlčoch, 2005 **Citizens of the Twentieth Century** August Sander, 1986 A major contribution to the history of photography in Germany presenting a fine collection of little known work by a major photographer and a most perceptive essay that is at once biographical analytic and critical **Photography in the 20th Century** Petr Tausk, 1980-01-01 *Modern Times* Mattie Boom, Hans Rooseboom, 2014 The exhibition catalogue Modern Times Photography in the 20th Century sketches the spectacular and rampant growth of photography in the twentieth century based on over 300 highlights from the Rijksmuseum's photography collection The book presents an overview of twentieth century photography in all its facets from pure documentary to autonomous art Rijksmuseum Amsterdam 1 11 2014 11 1 2015 **In the Face of History** Barbican Art Gallery, 2006 In the Face of History brings together 22 photographers whose work is rooted in a sense of time and place and who collectively map out a century of European experience Some are caught up in moments of epic conflict while others reflect subtler currents of social change Intensely personal chronicles of community family and love sit alongside and at times overlap with documents of historical record The images range from the trenches of the First World War to the Jewish ghetto of Lodz from the Paris of Atget

Brassa and Doisneau to the Berlin of Michael Schmidt and Wolfgang Tillmans and from cities and suburbs to tiny villages They document a vast range of experience but all are distinguished by the photographers compulsion to record the world as they find it a world refracted through the prism of their own experience Page 4 of cover

20th Century Photography, 2018 **20th-century Photography** Reuel Golden, 2000 **20th Century Photographers** Grace Schaub, George Schaub, 2014 This book is a compilation of interviews and essays that cover a broad range of photographers and photographic disciplines Each photographer profiled made a living by concentrating on a specific aspect of the craft but in doing so transcended their livelihood to become recognized for more than the type of images they created Each had a distinct style creative approach dedication to the craft point of view about themselves and the world These interviews were conducted during a seminal period in the shift from film to digital and from print reproduction to global distribution on the Internet Just like their photographs continue to inspire today now these pros words can live on as an invaluable reference for the photographers of the future The truth and wisdom in this collection transcend time and technology

Cento fotografi del XX secolo Charles-Henri Favrod, 2007 One hundred photographers and one hundred wonderful photos selected by Charles Henri Favrod Almost all of the 100 photographers in the book are friend of mine Throughout the years I got to know them sometimes in their studios from the tiny space of Mario Giacomelli in Senigallia to Ernst Haas s vast New York studio His friendship with many of the photographers whose pictures left their mark on this century convinced him that the history of photography is the photograph of history

Faces of Photography Tina Ruisinger, Ted Croner, 2002 With her sensitive approach her power of persuasion and her astonishing persistence Tina Ruisinger has succeeded in creating wonderful portraits of outstanding personalities who having spent their lives behind the camera are often extremely reluctant to expose themselves to the probing lens of a fellow photographer These are artists whose works are etched in our memories but whose faces and life stories are largely unknown to most people Tina Ruisinger photographed most of these photographers in their own private surroundings and interviewed most of them about their life and work Complemented by the photographer s personal recollections of these encounters the memorable words of her subjects underscore the intimacy and the intimate quality of these photographic portraits
