Landtechnische Forschung ,1965 *Meme Selling* Malik Jordan,2020-03-28 My name is Malik Jordan I am the author of this book and this will probably be the most honest book introduction description that you have ever read Meme Selling How To Earn More Than 100 Making Memes in 5 Simple Steps is quite frankly nothing but a short book showing people how to go from a beginner level meme creator to a professional meme creator that earns money making memes for people online Most authors overpromise and under deliver when they write their book introduction That is not what I am about to do In this introduction I will tell you how to earn more than 100 making memes in 5 simple steps My advice will be practical and straight to the point Let s Be Honest Book introductions are basically a form of marketing to get people to buy the book In this book introduction I am going to be very transparent with you I ll be so transparent with you that you may lose interest in this book and choose not to buy it and that is fine with me Did I write this introduction to market it to you and to get book sales The answer is yes but I do not want just anyone to buy this book I want this book to be bought by people who are serious about earning money from making great memes This Book Is Cheap For just the low price of 2 99 you can learn how to earn more than 100 making memes in 5 simple steps According to CollegeBoard com the national average for college textbooks is 1 137 per year You purchasing this book will be an inexpensive investment in your future and if you practice the 5 SIMPLE steps in this book it will pay for itself 3 Reasons Why This Book Is So Cheap The first reason why this book is so cheap is because most people who would be interested in a book like this are millennials Millenials are the poorest generation so far That s why I made this book cheap when I self published it The second reason this book is so cheap is because it is SUPER short Usually when you hear advice that is straight to the point it is short The truth is usually short straight to the point and simple just like this book The third reason why this book is so cheap is because it didn t take a lot of money to write and self publish this book in the first place I don t owe a book publishing company money so I m not about to charge you over 20 for a book like this What You Are Being Sold Let s address the elephant in the room I m not selling you the perfect book because the perfect book doesn t exist no matter how much work I put into it or hire someone else to put into it I m selling you a book with practical easy to understand steps on how to earn more than 100 making memes Also this book contains proof that I was able to earn more than 100 making memes just so that you know that all of this is indeed possible to do QUICK DISCLAIMER Before I get into the 5 steps that will be taught to you I want to let you know a few things This is not a scam No the steps will not be easy but they are not hard either The 5 steps are SIMPLE If you aren t satisfied you can get your money back Usually when people do research on how to create an extra stream of income they come across things like affiliate marketing and making YouTube videos This book is most likely the first book to ever teach people how to turn their passion for memes into an additional stream of income Can I Earn More Than 100 Making Memes I know what you re probably thinking and the answer is yes You can earn more than 100 making memes I have done it before There is no limit
