The Medical Library Association Guide to Finding Out about Diabetes Dana L. Ladd, Alyssa Altshuler, 2013-01-11

For the more than 26 million Americans diagnosed with or affected by diabetes having accurate information on the disease is crucial. But the sheer volume of information available can be daunting for patients and caregivers alike. This comprehensive guide provides librarians and library users with background on key diabetes concepts encompassing reliable print and electronic resources including hard to find periodicals and audiovisual sources. Each chapter in this guide presents an overview and description as well as an annotated list of multi format resources on topics including Types 1 and 2 and gestational diabetes. Diet, clinical trials and support sources. Legal and insurance issues. With this guide librarians can deepen their understanding and collections and thus improve service to the growing number of patrons affected by or at risk for or curious about this pervasive disease.

How to Take a Breath Tania Clifton-Smith, 2021-08-17. Breathing well can bring about improvements in a surprising number of areas of your life. This skill is usually taken for granted. Surely you just breathe in and then you breathe out. But experienced physiotherapist and breathing dysfunction specialist Tania Clifton Smith has been helping people correct their breathing patterns for over 30 years and has seen at first hand what a difference it makes. Includes chapters on Why breathe well, Self awareness and self checks, The stress connection, Meditation, mindfulness and breathing, Why does breathing change, Recipe for breathing well, Breathing well at all ages and stages, Sports performance and recovery, Voice production, Cough, hoick, spit, Pain management, Beyond the body and mind, a Maori perspective.

Morning Cardio Workouts June E. Kahn, Lawrence J. M. Biscontin, 2007. A cardio workout to fit every morning schedule. You know that exercising in the morning is the best way to exercise regularly, manage weight and energize your day. Morning Cardio Workouts explains how to maximize the benefits of your morning exercise routine. With a variety of workouts you can customize a program that fits your needs and your schedule. Including outdoor walking and running and indoor activities such as stair stepping, elliptical training and swimming, the various options allow you to diversify your routine, eliminate boredom and remain dedicated to your fitness goals. You'll learn how to combine activities for recovery, injury prevention and cross training. And nutrition advice shows you how to optimize morning eating and hydration to maximize energy upon waking. Tips to improve your fitness environment are also included to make workouts even more effective and enjoyable. With Morning Cardio Workouts you will never tire of your morning routine again. Morning Cardio Workouts is part of the Morning Workout series, books designed to help you get in tune with both mind and body, stay motivated and improve your morning exercise experience.
