Nordic Music Videos

Anna-Elena Pääkkölä, Mathias Bonde Korsgaard, John Richardson, 2025-09-24 Nordic Music Videos fills a gap in the existing research on music videos by bringing together new perspectives on music videos across the Nordic region from the academic to the practical the aesthetic to the industrial while addressing issues of local transnational and global significance The collection offers groundbreaking scholarly research into music videos including critical readings of music videos explorations of emerging formats discussions of music video aesthetics and Nordic music videos in a global context and within popular culture The book's chapters are interdisciplinary explorations which recognise the strengths of specific areas of scholarly research such as music video studies audiovisual studies popular music studies and film media studies while nevertheless bridging disciplines and doing justice to the multimodal and intermedial nature of practices Furthermore the book includes the viewpoints of industry practitioners through interviews with artists and music video directors and research on industry related issues The book is likely to be of interest to a variety of readers ranging from researchers interested in popular music and audiovisual expression in the Nordic region to master's level students and undergraduates The industry angles and the focus on Nordic cultures will also interest anyone who wants to discover how music videos developed or influence Nordic societies Chapters 1 4 and 5 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Invention in PR

Adam Ritchie, 2022-06-28 A handbook for pushing the limits of PR to inventing things rather than only promoting them When PR teams live or die on the success or failure of the products and services they support Invention in PR shows how they can take a stronger hand in their creation This book says the profession can do better than waiting for someone else to determine develop and package what a company sells It spurs PR pros to go beyond what they're handed and come up with new products and services that change a brand's life Through tales of award winning campaigns passionately told by their creator readers learn how to apply invention at the beginning of the PR process and take away usable strategies and tactics With PR under constant pressure to evolve communications pioneer Adam Ritchie uncovers practitioners' aptitude for invention and empowers them to harness it For PR professionals ready to rebel against taking a back seat to their counterparts in marketing and advertising Invention in PR teaches them how to beat every other discipline to the punch by coming up with the product or service idea first This guide will fire up professionals of all generations about what they can build It will

change the way experienced pros approach their jobs and inspire students to break the rules in the best possible ways
