Food for Thought Colleen M. Heflin, Madonna Harrington Meyer, 2025-09-05 While food insecurity among households with children often makes the headlines a quieter issue that receives much less attention is the food insecurity faced by older adults In 2023 over nine percent of Americans age sixty and older were food insecure Without policy intervention that number is only expected to grow as the U S population continues to age In Food for Thought social policy scholar Colleen M Heflin and sociologist Madonna Harrington Meyer illuminate the challenges faced by food insecure older adults Through analysis of national data sets and interviews with lower income older adults Heflin and Harrington Meyer describe why many older adults do not have enough money to afford food and other essentials As a result of chronic economic disadvantage food insecure older adults are often forced to make budget trade offs between food and other expenses In these trade offs food typically ranks below housing and energy costs and competes with other household bills such as medical costs transportation and phone and internet coverage While finances play a large role nonfinancial factors such as poor physical cognitive and mental health access to healthy food and transportation challenges also contribute to food insecurity in old age In the face of these difficulties food insecure older adults may go hungry skip meals or eat unhealthy foods to help make ends meet While SNAP and community based programs such as food pantries and home delivered meals are intended to help address the issue of food insecurity they are typically inadequate to address the needs of food insecure older adults SNAP has enrollment and maintenance procedures that are particularly difficult for older adults to navigate pays out an insufficient amount of money to cover food costs and varies greatly by state Availability of community programs varies by municipality often lacks nutritious foods that are complementary to health conditions common among older adults and can be difficult to access due to a lack of reliable transportation disability or cost Heflin and Harrington Meyer advocate for addressing all the issues that increase older adults risk of food insecurity not just financial barriers They suggest updating food insecurity screening tools to include these factors increasing SNAP benefits and income support for older adults and other policies to help combat food insecurity in older adults Food for Thought highlights the increasingly important issue of food insecurity in old age and lays bare the overlooked challenges faced by food insecure older adults The Consumer . . . or Else! Donald F Dufek, Camille P Schuster, 2011-02-23 Doing business in today s economy and surviving requires a new paradigm Who are at the center of this new approach to doing business CONSUMERS Historically power struggles have raged between suppliers and distributors Recently both parties awakened to the fact that neither of them has the ultimate power it now resides solely with the consumer This valuable book describes what demassification of the consumer market means and will show you how and why businesses must adapt to succeed Handy charts tables and illustrations make the information easy to understand and fascinating sidebar quotations from well known leaders of various industries Sam Walton Jack Welch and many more give the book a unique and memorable flavor Consumers say the authors not only demand higher quality and lower prices but also

expect convenient quick customized service They expect in stock conditions and quality They demand value and respect Global markets mean large numbers of consumers but these consumers want to be treated as individuals and the mass market no longer exists Companies in industries from financial services to groceries to consumer goods to health care to hardware to automobiles are adopting these new business processes and winning in the marketplace Their competitors are falling by the wayside This essential book examines the factors that are shaping the current business environment and looks at the re orientation of today s consumer presenting global perspectives on these vital issues explores this new consumer centric approach from the perspectives of suppliers intermediaries and retailers as well as the business processes being used to create more efficient supply chains and more effective demand fulfillment processes shows you the tools that can be used to implement this new business paradigm in the areas of technology internal business processes and collaboration answers frequently asked questions shares the success stories of Rite Aid Southwest Airlines Starbucks Snap On Tools National Semiconductor and others After addressing the issues of why business must change and examining the significance of a global business environment The Consumer or Else addresses each element of the new business paradigm the new role of consumers major players including the shift in the business processes of retailers and manufacturers and the role of intermediaries new business processes with a focus on technology internal coordination and collaboration Companies from Dell Computer to Del Monte are putting consumers first and reaping the sales benefits General Mills will soon provide consumers with the opportunity to create and name their own custom cereal As the authors point out The business process is changing changing the way product flows the way information flows and the way cash flows Companies that recognize this need to change will hold huge competitive advantages and the companies that fail to adapt will simply not be here in the future Let The Consumer or Else Consumer Centric Business Paradigms be your guidebook to this challenging new business climate
