Uber Compare Same Day Delivery:

New Business and Regulatory Strategies in the Postal Sector Pier Luigi Parcu, Timothy J. Brennan, Victor Glass, 2019-02-13 This book addresses major issues facing postal and delivery services throughout the world Worldwide there is currently a considerable amount of interest in postal and delivery economics The industry is reacting to a state of near crisis and is implementing different drastic changes The European Commission and member States are still wrestling with the problem of how to implement entry liberalization into postal markets how to address digital competition and how to maintain the universal service obligation USO The Postal Accountability and Enhancement Act of 2006 in the U S has perhaps created and exacerbated the problems faced by USPS Digitalisation technological development and online platforms are strongly affecting both the way postal and delivery operators are managing their services as well as their role on the market Strong emphasis was attributed to the assets of Postal Operators POs and their added value in the digital age as well as on new business strategies This volume presents original essays by prominent researchers in the field selected and edited from papers presented at this year s 26th Conference on Postal and Delivery Economics held in Split Croatia from May 30 June 2 2018 Topics addressed by this volume include quality of service last mile solutions and competition in the liberalized market This book will be a useful tool not only for graduate students and professors but also for postal administrations consulting firms and federal government departments

Taxis vs. Uber Juan Manuel del Nido, 2021-11-09 Uber s April 2016 launch in Buenos Aires plunged the Argentine capital into a frenzied hysteria that engulfed courts of law taxi drivers bureaucrats the press the general public and Argentina s president himself Economist and anthropologist Juan M del Nido who had arrived in the city six months earlier to research the taxi industry suddenly found himself documenting the unprecedented upheaval in real time Taxis vs Uber examines the ensuing conflict from the perspective of the city s globalist culturally liberal middle class showing how notions like monopoly efficiency innovation competition and freedom fueled claims that were often exaggerated inconsistent unverifiable or plainly false but that shaped the experience of the conflict such that taxi drivers stakes in it were no longer merely disputed but progressively written off pathologized and explained away This first book length study of the lead up to and immediate aftermath of the arrival of a major platform economy to a metropolitan capital considers how the clash between Uber and the traditional taxi industry played out in courtrooms in the press and on the street Looking to court cases the politics of taxi licenses social media campaigns telecommunications infrastructure public protests and Uber s own promotional materials del Nido examines the emergence of post political reasoning an increasingly common way in which societies neutralize disagreement shaping how we understand what we can even legitimately argue about and how

Exponential Azeem Azhar, 2021-09-07 The Times and Financial Times Book of the Year Enticing Sunday Times Engaging Financial Times Essential Reid Hoffman ___ As technology accelerates the human mind struggles to keep up and our companies workplaces and democracies get left behind This is the exponential gap Now a

leading technologist explores how this exponential gap is rewiring our world and reveals how we should respond ____ The sheer might of technology giants is one of the great challenges of our time Azeem Azhar's excellent book *Exponential* offers some solutions Amol Rajan BBC News Azhar has a knack for interrogating and inverting conventional thinking A convincing case that something extraordinary is taking place in business and society Economist Deft and clear-eyed Perhaps Azhar's most valuable insight is that conservatively managing the individual risks posed by new technologies will not suffice Financial Times Speaks powerfully about how we need to shape technology to put it back in the service of society Guardian Valuable and timely A diligent and comprehensive definition of a new phase in human affairs Sunday Times
