**Buffett's Tips** John M. Longo, Tyler J. Longo, 2025-10-06 What if you could learn financial literacy from Warren Buffett himself Finance is a language like any other the more fluently you speak it the further and more comfortably you travel And if you want to improve your financial literacy what better teacher could you have than Warren Buffett Often described as the greatest investor of all time Warren Buffett started his investment firm with 100 in the late 1950s and went on to become the billionaire and sage we know today Along the way he's reaped huge profits for fellow investors in Berkshire Hathaway and remains one of the most sought after and closely watched figures in the business world So how did he do it In Buffett's Tips award winning professor and professional investor John M Longo demonstrates just how by translating decades of Buffett's writings and media appearances into a 100 straightforward tips and strategies anyone can follow for enhanced financial literacy and independence including Essential concepts like the time value of money and compound interest Basic financial instruments such as savings and checking accounts and certificates of deposit Approaches to valuing stock including discounted cash flow and relative valuation How to build a portfolio in accordance with Buffett's two golden rules Whether you want to grow your personal finances develop your business acumen or improve softer career skills such as emotional intelligence there's no one better to learn from than the most famous investor in the world and no better way to do that than having a copy of Buffett's Tips close at hand

**Tips from the Top** Bradley N. Gallagher, 2003 At age ten Bradley Gallagher began writing letters to famous Americans asking them what they believe are the keys to success in life As the project grew from a few interesting letters to more than 300 responses each containing tips for success for young people from the perspectives of leaders in politics law business journalism education entertainment and athletics Bradley made the decision to share these letters with other young people in Tips from the Top Advice for a Young Person from 125 of America's Most Successful People He sought each respondent's permission to include his or her letter in this book with all profits from publication to be used to fund college scholarships for the children of fire fighters law enforcement officers and emergency personnel Tips from the Top also contains each respondent's biography The collective scope of these biographies demonstrates that success can be achieved regardless of one's beginning in life The recommendations contained in these letters could be invaluable for a young person as he contemplates his future path in life

**Skateboarding LA** Gregory J. Snyder, 2017-12-05 Inside the complex and misunderstood world of professional street skateboarding On a sunny Sunday in Los Angeles a crew of skaters and videographers watch as one of them attempts to land a heel flip over a fire hydrant on a sidewalk in front of the Biltmore Hotel A staff member of the hotel demands they leave and picks up his phone to call the police Not only does the skater land the trick but he does so quickly and spares everyone the unwanted stress of having to deal with the cops This is not an uncommon occurrence in skateboarding which is illegal in most American cities and this interaction is just part of the process of being a professional street skater This is just one of Gregory Snyder's experiences from eight years inside the world of professional street skateboarding a highly refined athletic and aesthetic pursuit from which a large number of people profit Skateboarding LA details the history of skateboarding describes basic and complex tricks tours some of LA's most famous spots and provides an enthusiastic appreciation of this dangerous and creative practice Particularly concerned with public spaces Snyder shows that skateboarding offers cities much more than petty vandalism and exaggerated claims of destruction Rather skateboarding draws highly talented young people from around the globe to skateboarding cities building a diverse and wide reaching community of skateboarders filmmakers photographers writers and entrepreneurs Snyder also argues that as stewards of public plazas and parks skateboarders deter homeless encampments and drug dealers In one stunning case skateboarders transformed the West LA Courthouse with Nike's assistance into a skateable public space Through interviews with current and former professional skateboarders Snyder vividly expresses their passion dedication and creativity Especially in relation to the city's architectural features ledges banks gaps stairs and handrails they are constantly reimagining and repurposing these urban spaces in order to perform their ever increasingly difficult tricks For anyone interested in this dynamic and daunting activity Skateboarding LA is an amazing ride
