Jones,Jed Dearybury,2022-11-16 Do you find yourself wanting more out of life It s time to bring play to your every day Play is not just for kids There are many reasons we need play in our lives The Playful Life shows you why and how to bring more playfulness to all aspects of your life You ll explore how to create meaningful relevant and fun experiences for yourself and others through both a playful mindset and playful behaviors Through research and 20 years of teaching children and adults authors Dr Julie Jones and Jed Dearybury have found that play is not only fun it s essential to a full life In this book they share their knowledge and inspire you to reflect on the need for connection and joy for healthy living through play This book will equip you with new definitions ideas and ways of thinking about play for your daily life With a relaxed tone comical banter and real talk the authors encourage new understandings about what play is and empower you to make more playful choices If you strive to find balance overcome stress and enjoy each day through play The Playful Life is a must read for your life journey Learn what play means and why it s so essential to our everyday lives at every age Discover the incredible benefits of play to your physical and mental health Get ideas for incorporating play into your everyday life at work at home or when you re out and about Begin healing past traumas and grow into the person you are meant to be through play and playful living Building on the popular book The Playful Classroom this is a new and exciting take on what play does for all of us physically socially

emotionally and cognitively Distribution Evolution Elliott W. Nikdel, 2025-09-18 *Distribution Evolution* On Demand and the Relocation of Specialized Film looks beyond the rhetoric and beneath the gleaming surfaces of on demand to reveal a more complex picture than the narrative of disruption Welcome to the age of on demand This is a world replete with choice a world where consumers dictate the terms of their viewing experience choosing what to watch when and how a world devoid of monopoly where the niche and undiscovered stand shoulder to shoulder with the rich and the powerful These stories of disruption have come to shape the popular perception of on demand but does this vision paint an accurate portrait of today's streaming landscape *Distribution Evolution* assesses whether digital distribution is the democratising force we were promised Does on demand disrupt and displace the monopolistic practices and patterns that have long curtailed the wider reach of specialised film Or does this vision of disruption resemble little more than a fantasy crafted by gifted storytellers and cunning marketeers To answer these questions *Distribution Evolution* looks to the past to form a picture of the present Whether it be the emergence of new practices or the persistence of old ones the book reveals how a complex interplay between past and present is shaping the digital future The resulting work provides a new framework through which to understand the on demand era as a process of relocation not transformation evolution not revolution *Daily Variety*, 1962
