Twitter is Not a Strategy Tom Doctoroff, 2025-09-23 In a cultural climate saturated by technology marketing professionals have focused their energies on creating newer and more digital methods of advertising their brands with the fear that if they don't embrace Big Data they will fade into obscurity But Tom Doctoroff Asia CEO for J Walter Thompson argues that this frenzy over digital and social media has created a schism in the marketing world that is hindering brands from attaining their true business potential The tension between traditional branding and the seemingly unlimited possibilities presented by the advent of digital branding leads companies to abandon the tried and true aspects of marketing for the flash of the new In Twitter is Not a Strategy Doctoroff explains why a strategy that truly integrates the two ideas is the best way for a brand to move into the future Using some of the biggest brand names

in the world as examples such as Coca Cola Nike and Apple he breaks down the framework of marketing to explain how digital marketing can't stand without the traditional foundation

HBO's Treme and Post-Katrina Catharsis Dominique Gendrin, Catherine Dessinges, Shearon Roberts, 2017-04-07 Ten years after Hurricane Katrina outsiders will have two versions of the Katrina experience One version will be the images they recall from news coverage of the aftermath The other will be the intimate portrayal of the determination of New Orleans residents to rebuild and recover their lives HBO's Treme offers outsiders an inside look into why New Orleanians refused to abandon a place that many questioned should not be rebuilt after the levees failed This critically acclaimed series expanded the boundaries of television making in its format plot casting use of music and realism in fictionalized TV However Treme is not just a story for the outside gaze on New Orleans It was a very local collaborative experience where the show's creators sought to enlist the city in a commemorative project Treme allowed many in the city who worked as principals extras and who tuned in as avid viewers to heal from the devastation of the disaster as they experimented with art imitating life imitating art This book examines the impact of HBO's Treme not just as television making but in the sense in which television provides a window to our worlds The book pulls together scholarship in media communications gender area studies political economy critical studies African American studies and music to explain why Treme was not just about television
