101 Activities for Teaching Creativity and Problem Solving Arthur B. VanGundy, 2008-03-11 Employees who possess problem solving skills are highly valued in today's competitive business environment. The question is how can employees learn to deal in innovative ways with new data methods, people, and technologies. In this groundbreaking book, Arthur VanGundy, a pioneer in the field of idea generation and problem solving, has compiled 101 group activities that combine to make a unique resource for trainers, facilitators, and human resource professionals. The book is filled with idea generation activities that simultaneously teach the underlying problem solving and creativity techniques involved. Each of the book's 101 engaging and thought-provoking activities includes facilitator notes and advice on when and how to use the activity. Using 101 Activities for Teaching Creativity and Problem Solving will give you the information and tools you need to generate creative ideas to solve problems, avoid patterned and negative thinking, engage in activities that are guaranteed to spark ideas, use proven techniques for brainstorming with groups. Order your copy today. JMP Connections John Wubbel, 2017-10-09 Achieve best-in-class metrics and get more from your data with JMP. JMP Connections is the small and medium-sized business owner's guide to exceeding customer expectations by getting more out of your data using JMP. Uniquely bifunctional, this book is divided into two parts: the first half of the book shows you what JMP can do for you. You'll discover how to wring every last drop of insight out of your data and let JMP parse reams of raw numbers into actionable insight that leads to better strategic decisions. You'll also discover why it works so well: clear explanations break down the Connectivity platform and metrics in business terms to demystify data analysis and JMP while giving you a macro view of the benefits that come from optimal implementation. The second half of the book is for your technical team, demonstrating how to implement specific solutions relating to data set development and data virtualization. In the end, your organization reduces Full-Time Equivalents while increasing productivity and competitiveness. JMP is a powerful tool for business, but many organizations aren't even scratching the surface of what their data can do for them. This book provides the information and technical guidance your business needs to achieve more. Learn what a JMP Connectivity Platform can do for your business. Understand Metrics on Demand, Real-Time Metrics, and their implementation. Delve into technical implementation with information on configuration and management, version control, data visualization, and more. Make better business decisions by getting more and better information from your data. Business leadership relies on good information to make good business decisions, but what if you could increase the quality of the information you receive while getting more of what you want to know and less of what you don't need to know? How would that affect strategy, operations, customer experience, and other critical areas? JMP can help with that, and JMP Connections provides real, actionable guidance on getting more out of JMP.

Sales and Idea Book, 1962 Mysterie Manor II Sharon Hays, 2011-06-14 As Maryanne O'Donnell finally acquires permanent ownership of an old mansion known for its ghostly inhabitants, she ponders the recent events that have cast a

dark shadow over Valencia Manor As she turns the key in the lock for the first time Maryanne feels certain the mansion has been cleansed of all evil She is finally home so she thinks While she waits for her detective boyfriend Mario Ramos to arrive on her first night in her new house Maryanne suddenly hears a thump against the wall as a cold breeze sweeps into the room Shaking with terror Maryanne is unable to decipher the eerie sounds that seep from behind the walls After the presence forcefully shoves her against a bar it eventually exits the house leaving Maryanne more frightened than ever Something or someone is out to get her But despite her fears Maryanne is determined to restore the house back to its original condition marry her boyfriend and run a successful small business As chilling mystery slowly unfolds in Valencia Manor a priest psychic and several detectives must all unite to fight a paranormal entity who will stop at nothing to achieve vengeance no matter what the human toll
