Townsend,2020-06-16 A penetrating look at near future disruption as truly autonomous vehicles arrive For decades we have dreamed of building an automobile that can drive itself But as that dream of autonomy draws close we are discovering that the driverless car is a red herring When self driving technology infects buses bikes delivery vans and even buildings a wild woollier future awaits Technology will transform life behind the wheel into a high def video game that makes our ride safer smoother and more efficient Meanwhile autonomous vehicles will turbocharge our appetite for the instant delivery of goods making the future as much about moving things as it is about moving people Giant corporations will link the automated machines that move us to the cloud raising concerns about mobility monopolies and privatization of streets and sidewalks The pace of our daily lives and the fabric of our cities and towns will change dramatically as automated vehicles reprogram the way we work shop and play Ghost Road is both a beacon and a warning it explains where we might be headed together in driverless vehicles and the choices we must make as societies and individuals to shape that future Working Backwards Colin Bryar,Bill Carr,2021-02-09 Working Backwards is an insider's breakdown of Amazon's approach to culture leadership and best practices from two long time Amazon executives with lessons and techniques you can apply to your own company and career right now In Working Backwards two long serving Amazon executives reveal the principles and practices that have driven the success of one of the most extraordinary companies the world has ever known With twenty seven years of Amazon experience between them much of it during the period of unmatched innovation that created products and services including Kindle Amazon Prime Amazon Studios and Amazon Web Services Bryar and Carr offer unprecedented access to the Amazon way as it was developed and proven to be repeatable scalable and adaptable With keen analysis and practical steps for applying it at your own company no matter the size the authors illuminate how Amazon's fourteen leadership principles inform decision making at all levels of the company With a focus on customer obsession long term thinking eagerness to invent and operational excellence Amazon's ground level practices ensure these characteristics are translated into action and flow through all aspects of the business Working Backwards is both a practical guidebook and the story of how the company grew to become so successful It is filled with the authors in the room recollections of what Being Amazonian is like and how their time at the company affected their personal and professional lives They demonstrate that success on Amazon's scale is not achieved by the genius of any single leader but rather through commitment to and execution of a set of well defined rigorously executed principles and practices shared here for the very first time Whatever your talent career or organization might be find out how you can put Working Backwards to work for you *Postal Life* ,1971 **The New York Times Encyclopedia of Film: 1969-1971** ,1984
