potential opportunities and challenges in the Metaverse era It also helps to facilitate the development of equitable sustainable and just practices for the diversity of language learners today The New Age of Sexism Laura Bates,2025-05-15 Laura Bates explains how they built the future and forgot to put women in it CAITLIN MORAN Fascinating and essential I urge you to read every syllable JO BRAND All men must read this book if they have any interest in a truly just fair and equal society ROBIN INCE AI is here bringing a seismic shift in the way our society operates Might this mean a future reimagined on equitable terms for women and marginalised groups everywhere Not unless we fight for it At present power remains largely in the hands of a few rich white men New AI driven technologies with misogyny baked into their design are putting women in danger their rights and safety sacrificed at the altar of profitability and reckless speed In The New Age of Sexism Sunday Times bestselling author and campaigner Laura Bates takes us deep into the heart of this rapidly evolving world She explores the metaverse confronts deepfake pornography travels to cyber brothels tests chatbots and hears from schools in the grip of online sexual abuse showing how our lives from education to work sex to entertainment are being infiltrated by easily accessible technologies that are changing the way we live and love What she finds is a wild west where existing forms of discrimination inequality and harassment are being coded into the future we will all have little choice about living in unless we seize this moment to demand change Gripping courageous and eye opening The New Age of Sexism exposes a phenomenon we can t afford to ignore any longer Our future is on the line We need to act now before it is too late Urgent reading for anyone who is interested in the intersection of tech and gender equality and indeed anyone who wants to be a part of building a better future free from misogyny EMMA LOUISE BOYNTON A brilliantly researched incredibly illuminating and frequently chilling account of the next chapter in tech s ongoing assault on our core values A chapter that is already unfolding around us all JAMES O BRIEN The Everything Token Steve Kaczynski,Scott Duke Kominers,2024-01-25 NFTs cause excitement and skepticism How much value can a token hold What drives this value To properly appreciate NFTs we must first understand what they actually are how they work and in what contexts they are used The Everything Token is an essential primer on NFTs non fungible tokens explaining their use purpose and how businesses can create and exploit them to develop new product lines building customer loyalty and increased revenues at the same time Together the authors have spent much of the past few years embedded in NFT communities and helping launch NFT products As self described beta testers of this brand new technology they ve seen its power first hand and aim to educate others on the importance uses and purpose of NFT and surrounding ever evolving technologies Demystifying the complexities two experts in NFTs show why we should take NFTs much more seriously than their reputation as fun digital art collectibles suggest They have a wider variety of uses than one may realise Gripping and accessible this book provides a guide and an insight into what can often be a hard to grasp area of technology **Women on Porn** Fiona Vera-Gray,2024-02-08 At a time when women are more vocal than ever about our lives there s one last taboo We need to talk about porn Briskly confronting porn is an inescapable part of

the environment we all share and should be talked about honestly this book is an important start THE SUNDAY TIMES Celebrates women s sexuality but also unflinchingly reveals the truth of how women are perceived and used in society by men A STYLIST best non fiction pick for 2024 When we think about porn today we still mostly think about men Men as the producers and the consumers Women as the product Most women aren t talking to each other about what they do and don t do with porn not really And when we do talk about it we are divided into unhelpful binaries for or against Liberation or coercion Too sexual or not sexual enough But in a world where porn sites get more traffic than Netflix Amazon plus Twitter combined and one of the leading sites claims a third of its users are women isn t it time to change that In this book interviews with 100 women result in an extraordinary and powerful conversation on pornography How they first encountered it How they consume it How it has affected their sex lives What they like and what they don t And what it means for their relationships Eye opening provocative and deeply moving this book navigates the polarised public debates to open an intimate window into porn and the sexual lives of women today

Regulating the Metaverse Ignas Kalpokas, Julija

Kalpokienė, 2023-01-26 The metaverse seems to be on everybody s lips and yet very few people can actually explain what it means or why it is important This book aims to fill the gap from an interdisciplinary perspective informed by law and media and communications studies Going beyond the optimism emanating from technology companies and venture capitalists the authors critically evaluate the antecedents and the building blocks of the metaverse the design and regulatory challenges that need to be solved and commercial opportunities that are yet to be fully realised While the metaverse is poised to open new possibilities and perspectives it will also be a dangerous place one ripe with threats ranging from disinformation to intellectual property theft to sexual harassment Hence the book offers a useful guide to the legal and political governance issues ahead while also contextualising them within the broader domain of governance and regulation of digital technologies
