need to earn that title because that's when you know your audience BELIEVES in you and whatever you have to say they will listen. Okay Instagram marketing. Got it. But where the hell do I even start? What hashtags do I use? What photos should I be sharing? Should I go follow everyone to get started? What time do I post? Do I respond to all comments? Why do some people have emails and addresses and I can't do that? If you're asking yourself all these questions, good. You're taking steps in the right direction. This isn't another crypto currency bandwagon you are joining. It's time you join this community of businesses who have chosen to go above and beyond traditional marketing techniques to capture a whole new audience. There is a goldmine of opportunity sitting in front of you and I'm going to show you how to mine it. In this book you'll learn: How to create the OPTIMAL Instagram handle and username. The 1 MOST IMPORTANT thing you need before you start your Instagram journey and it's not your profile photo. The secrets of the perfect customer profile and where to find them. How to target customers who WANT to purchase and WILL purchase. The secret behind the Instagram Algorithm and how you can take advantage of it for your business. Why you should NOT just post as often as possible on Instagram. The 5 marketing campaigns you need to run on Instagram that will ALWAYS convert. 10 steps to create the perfect Instagram post. How to capture an audience you don't have then convert them into customers. Videos or Instagram Stories. Which one converts better. How to take your followers beyond Instagram and purchasing on your website. How to build Instagram into your Marketing strategy in your business. The BEST automation tools to use so you don't have to work anymore and many other tips and tricks. But WHY Instagram? What about Facebook isn't that an even larger user base? I don't know if you've noticed but nowadays we have these new superhero's let's call them known as Influencers. These people are leveraging social media to reach a massive audience of people all of which can become potential shoppers. Instagram is home to nearly 1 BILLION monthly active users and 31% of these users earn more than 75k per year. That's a lot of money floating around that you can tap into. Facebook has more users yes but Instagram is home to the largest percentage of BUYERS. We want people who are ready to buy and looking for someone to tell them what to buy. That's where Instagram will always win and how you'll be winning next. Look at your competitors are they killing it? This is your kick in the butt to get started now it's never too late.
