International Books in Print ,1990 **Corpus, Cognition and Causative Constructions** Gaëtanelle

Gilquin,2010-03-24 English causative constructions with cause get have and make are often mistakenly presented as quasi synonymous and more or less interchangeable This book demonstrates the value of corpus linguistics in identifying the syntactic semantic lexical and stylistic features that are distinctive for each of these constructions It also underlines the usefulness of providing corpus studies with a solid theoretical foundation by showing how corpus linguistics can be fruitfully combined with cognitive linguistics which is used both as a starting point for the analysis top down approach and as a framework within which to interpret the corpus results bottom up approach From a methodological point of view the study illustrates the complementarity of corpus and elicitation data and offers tools and methods that could be used to investigate other syntactic structures Finally the book also has a pedagogical dimension in that it examines how the research findings can be applied to foreign language teaching **El-Hi Textbooks and Serials in Print** ,2006 *Verzeichnis lieferbarer Bücher* ,1988
