Players Of Gor:

Players of Gor - Special Edition John Norman, 2013-03 John Norman's epic Gorean Saga is one of the longest running and most successful series in the history of fantasy. It is also one of the most controversial. Over the course of more than thirty books produced over a span of six decades, the series has sold millions of copies and built legions of fans unrivaled in their devotion. E Reads invites you to rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. **PLAYERS OF GOR** Book 20 of the Gorean Saga. The games of Gor are diverse as are their players. There are the games of planetary politics in which worlds are contested. And those of cities and ubarates of ponderous cavalries and fleets of lateen rigged ships. And smaller games, bloody games played on a square of sand in which the counters and pieces are edged weapons. And too there is Kaissa, common on Gor, played with pieces of wood on a board of a hundred squares. The major land power in the northern latitudes of known Gor has long been the imperium of mighty Ar. Against her hegemonies on the continent, plans by her major enemies, the maritime ubarates of Cos and Tyros, have been carefully drawn to involve attack from without and subversion from within. Cabot, once of Earth, is drawn into these intrigues. Read the entire saga now with brilliant new cover art specially commissioned by E Reads.

Players of Gor John Norman, 2011-12-12 The games of Gor are diverse as are their players. There are the games of planetary politics in which worlds are contested. And those of cities and ubarates of ponderous cavalries and fleets of lateen rigged ships. And smaller games, bloody games played on a square of sand in which the counters and pieces are edged weapons. And too there is Kaissa, common on Gor, played with pieces of wood on a board of a hundred squares. One might think little would depend on the outcomes of such a benign recreation, but one could be wrong. The major land power in the northern latitudes of known Gor has long been the imperium of mighty Ar. Against her hegemonies on the continent, plans by her major enemies, the maritime ubarates of Cos and Tyros, have been carefully drawn projectively to involve attack from without and subversion from within. Cabot, once of Earth, is drawn into these intrigues. A foiled plot laid against his life leads him to the port city of Brundisium where he obtains not only satisfaction but keys to enciphered documents germane to the machinations of Cos and Tyros. These should be delivered to Ar. But the armada of the maritime ubarates is already entering the collaborating port of Brundisium.

Football (Soccer) in Africa Augustine E. Ayuk, 2022-04-26 This volume provides an analysis of the history, origins, and development of football in Africa. It brings together an edited assemblage of essays that describe and analyze football in nine African countries including Cameroon, DRC, Egypt, Ghana, Kenya, Nigeria, Senegal, South Africa, and Uganda from a social science perspective. The selection of these countries highlights the three major foreign languages and powers that have governed the continent: The English, the French, and Arabic, and provides a prism through which to analyze and compare how football developed in the various countries throughout Africa. This comparative methodology allows readers to identify similarities and differences in the progression of
