Plays Of The New Democratic Spain 1975 199:

Theatrical Translation and Film Adaptation Phyllis Zatlin, 2005-10-12 Translation and film adaptation of theatre have received little study In filling that gap this book draws on the experiences of theatrical translators and on movie versions of plays from various countries It also offers insights into such concerns as the translation of bilingual plays and the choice between subtitling and dubbing of film *From Silver Screen to Spanish Stage* Stuart Nishan Green, 2011-05-31 This is the first book length English language study of a group of five artists closely linked with the Spanish avant garde in the 1920s and 1930s now known as the Other Generation of 27 In the same way that their contemporaries of the celebrated Generation of 27 which included Federico Garcia Lorca attempted a revolution of the arts through poetry inspired by European modernism the Other Generation of 27 attempted to renovate Spanish humour first in prose and then in the theatre and cinema This book demonstrates how these humorists drew on the humour of Chaplin Keaton Lubitsch and the Marx Brothers for their stage comedy and how they stretched the limits of the stage at the time by incorporating cinematic techniques such as flashback voice overs and montage in their search for new dramatic forms **Modern Spanish Dramatists** Mary Parker, 2002 Contains entries on thirty three dramatists who wrote from 1700 to 1999 Modern Drama Scholarship and Criticism 1981-1990 Charles A. Carpenter, 1997 A selective list of publications for the period offering some 25 200 entries no annotations arranged by nationality and linguistic groups Most entries concern literary currents in drama since the last third of the 19th century playwrights who lived at least part of their lives in the 20th century noted directors and performance theory For students and scholars of modern dramatic literature While annual supplements of recent publications appear in the journal Modern Drama new compilers took a publication date of 1991 as their starting point for listings leaving some 2 000 items collected after 1992 appearing only in this volume Annotation copyrighted by Book News Inc Portland OR
