David Keirsey, Marilyn M. Bates

Please Understand Me Character And Temperament Types:

Please Understand Me II David Keirsey, 1998 For the past twenty years Keirsey has continued to investigate personality differences to refine his theory of the four temperaments and to define the facets of character that distinguish one from another His findings form the basis of *Please Understand Me II* an updated and greatly expanded edition of the book far more comprehensive and coherent than the original and yet with much of the same easy accessibility One major addition is Keirsey's view of how the temperaments differ in the intelligent roles they are most likely to develop Each of us he says has four kinds of intelligence tactical logistical diplomatic strategic though one of the four interests us far more than the others and thus gets far more practice than the rest Like four suits in a hand of cards we each have a long suit and a short suit in what interests us and what we do well and fortunate indeed are those whose work matches their skills As in the original book *Please Understand Me II* begins with The Keirsey Temperament Sorter the most used personality inventory in the world But also included is The Keirsey Four Types Sorter a new short questionnaire that identifies one's basic temperament and then ranks one's second third and fourth choices Share this new sorter with friends and family and get set for a lively and fascinating discussion of personal styles
