

# Plot Against America A Novel

**Mike Jess**

## **Plot Against America A Novel:**

The Plot Against America Philip Roth, 2005 When the renowned aviation hero and rabid isolationist Charles A. Lindbergh defeated Franklin Roosevelt by a landslide in the 1940 presidential election, fear invaded every Jewish household in America. Not only had Lindbergh in a nationwide radio address publicly blamed the Jews for selfishly pushing America towards a pointless war with Nazi Germany, but upon taking office as the 33rd president of the United States, he negotiated a cordial understanding with Adolf Hitler, whose conquest of Europe and whose virulent anti-Semitic policies he appeared to accept without difficulty. What then followed in America is the historical setting for this startling new novel by Pulitzer prize winner Philip Roth, who recounts what it was like for his Newark family and for a million such families all over the country during the menacing years of the Lindbergh presidency, when American citizens who happened to be Jews had every reason to expect the worst.

**Post-9/11 Historical Fiction and Alternate History Fiction** Pei-chien Liao, 2020-09-19 Drawing on theories of historiography, memory, and diaspora, as well as from existing genre studies, this book explores why contemporary writers are so fascinated with history. Pei-chien Liao considers how fiction contributes to the making and remaking of the transnational history of the U.S. by thinking beyond and before 9/11, investigating how the dynamics of memory, as well as the emergent present, influence readers' reception of historical fiction and alternate history fiction and their interpretation of the past. Set against the historical backdrop of WWII, the Vietnam War, and the War on Terror, the novels under discussion tell Jewish, Japanese, white American, African Muslim, and Native Americans' stories of trauma and survival. As a means to transmit memories of past events, these novels demonstrate how multidirectional memory can be not only collective but connective, as exemplified by the echoes that post-9/11 readers hear between different histories of violence that the novels chronicle, as well as between the past and the present.

Fascism in America Gavriel D. Rosenfeld, Janet Ward, 2023-09-14 A timely exploration of the history and present-day threat of fascism in the United States.

*Imagining the Unimaginable* Glyn Morgan, 2020-01-23 *Imagining the Unimaginable* examines popular fiction's treatment of the Holocaust in the dystopian and alternate history genres of speculative fiction, analyzing the effectiveness of the genre's major works as a lens through which to view the most prominent historical trauma of the 20th century. It surveys a range of British and American authors from science fiction pulp to Pulitzer Prize winners, building on scholarship across disciplines including Holocaust studies, trauma studies, and science fiction studies. The conventional discourse around the Holocaust is one of the unapproachable, unknowable, and the unimaginable. The Holocaust has been compared to an earthquake, another planet, another universe, a void. It has been said to be beyond language or else have its own incomprehensible language beyond art and beyond thought. The othering of the event has spurred the phenomenon of non-realist Holocaust literature engaging with speculative fiction and its history of the uncanny, the grotesque, and the inhuman. This book examines the most common forms of non-mimetic Holocaust fiction: the dystopia and the alternate history, while firmly positioning these forms within a broader pattern of non-

realist engagements with the Holocaust      **Historical Fiction Now** Mark Eaton, 2023 An edited volume that brings together award winning historians novelists and literary critics to discuss the popularity of historical fiction      **Fictive Fathers in the Contemporary American Novel** Debra Shostak, 2020-02-20 Fictive Fathers in the Contemporary American Novel explores the unstable construction of heteronormative white masculinity in the contemporary United States by focusing on relationships between fathers and their children Debra Shostak reads the novels of 18 North American writers publishing in the late 20th and early 21st centuries as allegories of cultural conflict and change within the nuclear family the authors considered include Paul Auster Don DeLillo Jeffrey Eugenides Jonathan Safran Foer Jonathan Franzen John Irving Jonathan Lethem Carole Maso Bobbie Ann Mason Cormac McCarthy Claire Messud Viet Thanh Nguyen Tim O'Brien Marilynne Robinson Philip Roth Mona Simpson Jane Smiley and Anne Tyler These novelists portray father figures who often literally or figuratively absent from the family scene disrupt the familial order and their family members identities Shostak's close readings illuminate unexpectedly conservative even subversive ideological positions at the heart of these fictions Fictive Fathers traces the eroding myth of paternal authority that sustained a patriarchal model within real American families and their literary representations      Forbidden Fruit Richard Ned Lebow, 2010 Could World War I have been averted if Franz Ferdinand and his wife hadn't been murdered by Serbian nationalists in 1914 What if Ronald Reagan had been killed by Hinckley's bullet Would the Cold War have ended as it did In Forbidden Fruit Richard Ned Lebow develops protocols for conducting robust counterfactual thought experiments and uses them to probe the causes and contingency of transformative international developments like World War I and the end of the Cold War He uses experiments surveys and a short story to explore why policymakers historians and international relations scholars are so resistant to the contingency and indeterminism inherent in open ended nonlinear systems Most controversially Lebow argues that the difference between counterfactual and so called factual arguments is misleading as both can be evidence rich and logically persuasive A must read for social scientists Forbidden Fruit also examines the binary between fact and fiction and the use of counterfactuals in fictional works like Philip Roth's *The Plot Against America* to understand complex causation and its implications for who we are and what we think makes the social world work      *The Humbling* Philip Roth, 2009-11-02 Everything is over for Simon Axler the protagonist of Philip Roth's startling new book One of the leading American stage actors of his generation now in his sixties he has lost his magic his talent and his assurance His Falstaff and Peer Gynt and Vanya all his great roles are melted into air into thin air When he goes onstage he feels like a lunatic and looks like an idiot His confidence in his powers has drained away he imagines people laughing at him he can no longer pretend to be someone else Something fundamental has vanished His wife has gone his audience has left him his agent can't persuade him to make a comeback Into this shattering account of inexplicable and terrifying self evacuation bursts a counterplot of unusual erotic desire a consolation for a bereft life so risky and aberrant that it points not toward comfort and gratification but to a yet darker and more

shocking end In this long day s journey into night told with Roth s inimitable urgency bravura and gravity all the ways that we convince ourselves of our solidity all our life s performances talent love sex hope energy reputation are stripped off The Humbling is Roth s thirtieth book      **Frontiers Past and Future** Carl Abbott,2006 Abbott offers a fruitful new way to read science fiction one that also greatly enriches our understanding of western history and its impact on our collective imagination Detailing the overlap of science fiction and western fiction especially relating to their mutual interest in and concerns about frontier expansionism he reveals an unsuspected common ground that informs the writings of both camps Reviewing the work of many Hugo and Nebula Award winners as well as drawing upon popular film and television series like the Buck Rogers serials Abbott s study journeys across the far reaches of science fiction s universe      **Everyman** Philip Roth,2006-05-09 Philip Roth s new novel is a candidly intimate yet universal story of loss regret and stoicism The best selling author of The Plot Against America now turns his attention from one family s harrowing encounter with history New York Times to one man s lifelong skirmish with mortality The fate of Roth s everyman is traced from his first shocking confrontation with death on the idyllic beaches of his childhood summers through the family trials and professional achievements of his vigorous adulthood and into his old age when he is rended by observing the deterioration of his contemporaries and stalked by his own physical woes A successful commercial artist with a New York ad agency he is the father of two sons from a first marriage who despise him and a daughter from a second marriage who adores him He is the beloved brother of a good man whose physical well being comes to arouse his bitter envy and he is the lonely ex husband of three very different women with whom he s made a mess of marriage In the end he is a man who has become what he does not want to be The terrain of this powerful novel Roth s twenty seventh book and the fifth to be published in the twenty first century is the human body Its subject is the common experience that terrifies us all Everyman takes its title from an anonymous fifteenth century allegorical play a classic of early English drama whose theme is the summoning of the living to death      **Newsweek** ,2004      **New York** ,2004-08      Studies in American Jewish Literature ,2004      *The Nation* ,1881      *Time* Briton Hadden, Henry Robinson Luce,2004      *The New York Times Index* ,2004      **Stanford** ,2008      Read On...Historical Fiction Brad Hooper,2006-03-30 Hundreds of popular historical fiction titles are described and categorized according to their underlying features and under topics not found in the library catalog such as women with true grit greatest war stories royalty rules and quick reads      **The New Yorker** ,2005      *First Things* ,2005
