

# Ploughshares

The background of the cover is a stylized illustration of a multi-story brick building. The building has several windows, some of which are open, revealing interior details like a lamp and a person's head. A small doorway is visible on the ground floor. In the foreground, there are green bushes and a path leading towards the building. The overall style is reminiscent of a classic book cover illustration.

Sauer, David K. Sauer, 2003-09-30 The most complete record of a contemporary American dramatist available David Mamet A Resource and Production Sourcebook is the result of ten years research by a widely published drama and theatre scholar and a university bibliographic specialist Presenting a complete overview of all reviews and scholarship on Mamet the authors challenge assumptions about the playwright such as the charge that he is an antifeminist writer This comprehensive sourcebook is an essential purchase for Mamet scholars and students of American drama alike David Mamet A Resource and Production Sourcebook reflects the revolution underway in the study of drama in which not only previous scholarship but performance reviews are a necessary part of research It gives a complete listing and overview of over 250 scholarly articles and chapters of books on Mamet s plays It also presents the complete production history of each play including review excerpts The authors have produced an invaluable guide to research into this key contemporary dramatist      *Poets & Writers* , 2006-07

**Utopia and Terror in Contemporary American Fiction** Judie Newman, 2014-07-17 This book examines the quest for failure of Utopia across a range of contemporary American transnational fictions in relation to terror and globalization through authors such as Susan Choi Andr Dubus Dalia Sofer and John Updike While recent critical thinkers have reengaged with Utopia the possibility of terror whether state or non state external or homegrown shadows Utopian imaginings Terror and Utopia are linked in fiction through the exploration of the commodification of affect a phenomenon of a globalized world in which feelings are managed homogenized across cultures exaggerated or expunged according to a dominant model

Narrative approaches to the terrorist offer a means to investigate the ways in which fiction can resist commodification of affect and maintain a reasoned but imaginative vision of possibilities for human community Newman explores topics such as the first American bestseller with a Muslim protagonist the links between writer and terrorist the work of Iranian Jewish Americans and the relation of race and religion to Utopian thought
