Pmgknights Tale Pr Uk:

Censored 2019 Mickey Huff, Andy Lee Roth, 2018-10-02 For more than forty years Project Censored has been our watchdog on the establishment media casting its eye on how the information that we receive and don't receive shapes our democracy. We need it more than ever today. Christopher Finan, Executive Director, National Coalition Against Censorship (NCAC). THESE ARE JUST A FEW OF THE STORIES PRESENTED IN CENSORED 2019. Open Source Intelligence, Secrets Sold to Highest Bidders, ICE Intends to Destroy Records of Inhumane Treatment of Immigrants, Indigenous Communities around World Helping to Win Legal Rights of Nature, FBI Racially Profiling Black Identity Extremists, The Limits of Negative News and Importance of Constructive Media. DID YOU KNOW THAT SINCE 1998 THE US GOVERNMENT SPENT 21 TRILLION IT CAN'T ACCOUNT FOR? Or that Internet co-ops are mobilizing poor communities to resist net neutrality rollbacks? How about the health risks of wireless tech that cell phone companies have covered up or the opiate crisis that Big Pharma knowingly unleashed? Haven't heard the news? Neither did the rest of the world. That's because these and countless other news items are suppressed or ignored by our nation's free press every day. For the past forty-three years Project Censored has been unearthing the buried stories that corporate media deem unfit to print and debunking the fake news governments and corporations use to consolidate their power to promote well-informed citizen action and critical media literacy. This year's Project Censored yearbook features: Vetting Free Speech by Sally Gimson Layli Foroudi and Sean Gallagher; TimesUp: Breaking the Barriers of Sexual Harassment in Corporate Media for You and Me Too by Julie Frechette; Data Activism through Community Mapping and Data Visualization by Dorothy Kidd; How Mainstream Media Evolved into Corporate Media by Peter Phillips; Campus Newsroom Collaborations by Patricia W. Elliott; The Public and Its Problems by Susan Maret; Plus Junk Food News, News Abuse and Media Democracy in Action. In a time of decline in the rule of law and democratic safeguards, Project Censored offers a constructive alternative to the fake news blues, holding the corporate media to account for its negative bias, propaganda for wealth and power, and outright censorship. Shakespeare's Women and the Fin de Siècle Sophie

Duncan, 2016-12-01 Shakespeare's Women and the Fin de Siècle illuminates the most iconoclastic performances of Shakespeare's heroines in late Victorian theatre through the celebrity commentary and wider careers of the actresses who played them. By bringing together fin de siècle performances of Shakespeare and contemporary Victorian drama for the first time, this book illuminates the vital ways in which fin de siècle Shakespeare and contemporary Victorian theatre culture conditioned each other. Actresses' movements between Shakespeare and fin de siècle roles reveal the collisions and unexpected consonances between apparently independent areas of the fin de siècle repertory. Performances including Ellen Terry's Lady Macbeth, Madge Kendal's Rosalind, and Lillie Langtry's Cleopatra illuminate fin de siècle Shakespeare's lively intersections with cultural phenomena including the Jack the Ripper killings, Aestheticism, the suicide craze, and the rise of metropolitan department stores. If, as previous studies have shown, Shakespeare was everywhere in Victorian culture, Sophie

Duncan explores the surprising ways in which late Victorian culture from Dracula to pornography and from Ruskin to the suffragettes inflected Shakespeare Via a wealth of unpublished archival material Duncan reveals women s creative networks at the fin de si cle and how Shakespearean performance traditions moved between actresses via little studied performance genealogies At the same time controversial new stage business made fin de si cle Shakespeare as much a crucible for debates over gender roles and sexuality as plays by Ibsen and Shaw Increasingly actresses creative networks encompassed suffragist activists who took personal inspiration from star Shakespearean actresses From a Salome esque Juliet to a feminist Paulina fin de si cle actresses created cultural legacies which Shakespeare in performance still negotiates today
