The Ballad of Tom Dooley Sharyn McCrumb, 2025-10-16 The Ballad of Tom Dooley is a literary triumph what began as a fictional re telling of the historical account of one of the most famous mountain ballads of all time became an astonishing revelation of the real culprit responsible for the murder of Laura Foster Hang down your head Tom Dooley The folk song made famous by the Kingston Trio recounts a tragedy in the North Carolina mountains after the Civil War Laura Foster a simple country girl was murdered and her lover Tom Dula was hanged for the crime The sensational elements in the case attracted national attention a man and his beautiful married lover accused of murdering the other woman the former governor of North Carolina spearheading the defense and a noble gesture from the prisoner on the eve of his execution saving the woman he really loved With the help of historians lawyers and researchers Sharyn McCrumb visited the actual sites studied the legal evidence and uncovered a missing piece of the story that will shock those who think they already know what happened and may also bring belated justice to an innocent man What seemed at first to be a sordid tale of adultery and betrayal was transformed by the new discoveries into an Appalachian Wuthering Heights Tom Dula and Ann Melton had a profound romance spoiled by the machinations of their servant Pauline Foster Bringing to life the star crossed lovers of this mountain tragedy Sharyn McCrumb gifts understanding and compassion to her compelling tales of Appalachia and solidifies her status as one of today s great Southern writers
