Playground For Talking Heads:

Playground For Talking Heads Frederic Colier, 2013-04-04 The Playground is the Thing Why did you bring me here To a place like this asks the bewildered Kate while trapped in the conceptual hopscotch of Frederic Colier's relentless imagination As moral outrage resurfaces in our overtly self-conscious Look Forward In Angst generation it becomes apparent that our intellectual community is in dire need of a playground more specifically Colier's Playground For Talking Heads Recently published by Luminous Press this collection of 5 one act plays comes complete with a merry go round of power games a playing field of characters and concepts and a sea saw teetering between inter personal conflict and social issues As an oasis of bold insight amidst a theatrical landscape that is otherwise replete in PC rhetoric strewn with stylistic devices and littered with oblique references Playground proves an indispensable resource It is a fertile world of human transformation a tersely dramatic cluster of social concerns peopled by fragmented lives In short the sensibility of Playground manages to resurrect the dramatic play till it resounds with its original verb like connotation From the Lanford Wilson like monologue of Firedamp where a character's futile desperation surfaces as he tries to cajole his supposedly apathetic partner into leaving with him only to discover that it is he himself who has been left behind to the darkly David Rabe like torments of Heartbreak Tango replete in lines like You thought you were so clever telling me about your childhood memories hoping I'd reveal something about mine I knew right away what you were up to with your little regrets Colier's aperçus resonate with contemporary malaise His is a sandbox where domestic violence has global repercussions where minor fetishes each have their grand counterparts As the mother in Sharing Circle succinctly notes I wouldn't let him your father touch me to act out his rage That's why he built this empire And this is why I have to sell it Like Bernard Marie Koltes who employed theatre as a forum for cross cultural exploration Colier follows a minor character from his own Heartbreak Tango and delivers us into the idiosyncratic realm of The Undertaking a play where an otherwise archetypal hooker swings airborne in effortless repartees like What keeps petty criminals petty is their guilt This while The Proposal enlists characters ordinarily found in an Ayckbourn comedy to slide down the slippery length of a horror genre's plot line If the anti thriller twist at the end is indicative of anything it is not so much that our society shies away from visceral forms of evil but that each of our urbane maneuverers to sublimate our tendencies becomes an atrocity in its own right But whether the reluctantly optimistic inhabitants that slide swing and jump rope through Fredric Colier's mind remind one of characters by Eugene O'Neill Ariel Dorfman or even novelist Martin Amis is not the issue Instead it is their respective worldview that matters that eclectic playground that each of them forms in his head Though one of the characters says My perfect ending is everyone's perfect ending it is obvious that for Colier this collection is no more than a creative career's perfect continuation As uncluttered spots from which to view the rest of our society are concerned Playground for Talking Heads is bound to have heads both talking and turning for a very long while
