Playing Foxes Flamingo S:

Flamingo Rachel Elliott, 2022-02-03 A novel of love homelessness and learning to be fearless In the garden there were three flamingos Not real flamingos but real emblems real gateways to a time when life was impossibly good They were mascots symbols of hope Something for a boy to confide in First there were the flamingos And then there were two families Sherry and Leslie and their daughters Rae and Pauline and Eve and her son Daniel Sherry loves her husband Leslie She also loves Eve It couldn't have been a happier summer But then Eve left and everything went grey Now Daniel is all grown up and broken And when he turns up at Sherry's door it's almost as if they've all come home again But there's still one missing Where is Eve And what exactly is her story FLAMINGO is a novel about the power of love welcome and acceptance It's a celebration of kindness of tenderness Set in 2018 and the 80s it's a song for the broken hearted and the big hearted and is ultimately a novel grown from gratitude and a book full of wild hope Readers love Flamingo A world of characters you feel you know and care about The writing is superb and often stopped me in my tracks This novel grabs you by the heart and doesn't let go I loved this book the writing is beautiful it's emotive and the attention to connections humanity and nature is wonderful
