Playing Mercy:

Beyond The Canon's Plays for Young Activists Mojisola Adebayo, Hannah Khalil, Amy Ng, 2023-03-23 Nominated for Outstanding Drama Education Resource at the 2024 Music Drama Education Awards A first of its kind anthology Beyond The Canon's Plays for Young Activists combines plays toolkits and an online guide to empower young people into activism With award winning plays from the UK's most revolutionary female writers of colour as well as bespoke multimedia learning guides this collection offers young global activists aged 16 as well as teachers and creatives at any level the opportunity to diversify their education and enhance their understanding of politically driven plays world politics and social justice Unique in how it amplifies these selected award winning plays by incorporating learning guides that accommodate different learning styles be they visual auditory reading writing and kinaesthetic Beyond The Canon dares readers to take a deeper dive into the world of the play be inspired by the themes and provocations and use the anthology to evolve into the ultimate activist The plays include Muhammad Ali and Me by Mojisola Adebayo A Museum in Baghdad by Hannah Khalil Acceptance by Amy Ng With resources like top tips on creating a safe space practical drama challenges and games interviews with the writers research guides and activism test sheets Beyond The Canon's Plays for Young Activists will spark the imagination of any and all readers likely inspiring the next Mojisola Adebayo Hannah Khalil and Amy Ng Arts Therapies Vassiliki Karkou, Patricia Sanderson, 2006-01-01 An introduction to the field of arts therapy which examines the theoretical basis for the therapeutic use of the arts this book gives guidance on how to select assess and evaluate the use of the therapies in practice It is illustrated with clinical vignettes and practical examples **The Practicalities of Early English Performance:**

Manuscripts, Records, and Staging Peter Meredith, 2018-01-02 Collected Studies CS1069 The essays selected for this volume reflect Peter Meredith's major contribution to the revival and revision of academic and public interest in medieval English drama and theatre A number of coinciding factors in the last quarter of the twentieth century brought together a group of scholars represented here in the Shifting Paradigms series determined to place the study of medieval drama in a broader context than that of solely reading texts The publication of Records of Early English Drama the University of Leeds facsimiles of medieval drama manuscripts the establishment of the journal and annual meetings of Medieval English Theatre brought a wider perspective to the discipline And by no means least the bringing to bear of all these ground breaking developments to the mammoth tasks of recreating in the public domain the original staging of medieval plays Peter Meredith had a hand in the formation and lasting influence of all these crucial innovations The variety and depth of his comprehensive approach to the study of medieval drama and theatre is clearly evinced in each of the essays chosen for this volume

Medieval English Drama Katie Normington, 2013-04-30 Medieval English Drama provides a fresh introduction to the dramatic and festive practices of England in the late Middle Ages The book places particular emphasis on the importance of the performance contexts of these events bringing to life a period before permanent theatre buildings when performances

took place in a wide variety of locations and had to fight to attract and maintain the attention of an audience Showing the interplay between dramatic and everyday life the book covers performances in convents churches parishes street processions and parades and in particular distinguishes between modes of outdoor and indoor performance Katie Normington aids the reader to a fuller understanding of these early English dramatic practices by explaining the significance of the place of performance the particularities of spectatorship for each event and how the conventions of the form of drama were manipulated to address its reception Audiences considered range from cloistered members congregations and parish members to urban citizens nobles and royalty Undergraduate students of literature of this period will find this an approachable and illuminating guide Voice in Later Medieval English Literature David Lawton,2017 David Lawton approaches later medieval English vernacular culture in terms of voice As texts and discourses shift in translation and in use from one language to another antecedent texts are revoiced in ways that recreate them as public interiorities without effacing their history or future The approach yields important insights into the voice work of late medieval poets especially Langland and Chaucer and also their fifteenth century successors who treat their work as they have treated their precursors It also helps illuminate vernacular religious writing and its aspirations and it addresses literary and cultural change such as the effect of censorship and increasing political instability in and beyond the fifteenth century Lawton also proposes his emphasis on voice as a literary tool of broad application and his book has a bold and comparative sweep that encompasses the Pauline letters Augustine's Confessions the classical precedents of Virgil and Ovid medieval contemporaries like Machaut and Petrarch extra literary artists like Monteverdi later poets such as Wordsworth Heaney and Paul Valery and moderns such as Jarry and Proust What justifies such parallels the author claims is that late medieval texts constitute the foundation of a literary history of voice that extends to modernity The book's energy is therefore devoted to the transformative reading of later medieval texts in order to show their original and ongoing importance as voice work **The Shakespeare reader, extr. from the plays with intr. paragraphs and notes by C.H. Wykes** William Shakespeare,1880 *The academy* ,1875 **The Theatre** ,1887 Vol for 1888 includes dramatic directory for Feb Dec vol for 1889 includes dramatic directory for Jan May **Vanity Fair** T.G.
