Spheres Susanne Auflitsch, 2006 During the first half of the 20th century approximately 10 000 short plays were written in the United States This book examines twenty one act plays by authors such as Mary Shaw Susan Glaspell and Charlotte Perkins Gilman who wrote from such diverse backgrounds as women s clubs art theaters or commercial theaters This study argues that the plays share a structural organization along spatial dichotomies of theatrical space within and theatrical space without While some writers use the underlying structure of separate spheres and organize place and space in order to promote a broader definition of domesticity the spatial configurations in other plays are read as appropriations affirmations negotiations subversions or transgressions of the separate spheres dichotomy Substantial bibliographies documenting the productivity of the one act genre supplement this study The Harlem Renaissance: Authors A-H Janet Witalec, 2003 Presents writings by and criticism on sixteen Harlem Renaissance authors including Langston Hughes and Zora Neale Hurston This volume covers A H Guide to American Drama Explication Rosalie C. Otero, 1995 This guide covers theatre as literature and offers listings of scholarly explications from colonial to contemporary Edward Albee to Tennessee Williams Arranged alphabetically by playwright and play title the bibliography covers both periodicals and book length criticism and reflects a variety of critical methods **The Greenwood Encyclopedia of African American Literature: I-N** Hans A. Ostrom, J. David Macey, 2005 Designed to meet the needs of high school students undergraduates and general readers this encyclopedia is the most comprehensive reference available on African American literature from its origins to the present Other works include many brief entries or offer extended biographical sketches of a limited selection of writers This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics While most of the entries are on individual authors the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked and the social political and aesthetic movements in which they have participated Thus the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing Publisher **Plays of Negro Life** Alain Locke, Thomas Montgomery Gregory, 1927 The drama of negro life is developing primarily because a native American drama is in process of evolution Thus although it heralds the awakening of the dormant dramatic gifts of the Negro folk temperament and has meant the phenomenal rise within a decade s span of a Negro drama and a possible Negro Theatre the significance is if anything more national than racial For pioneering genius in the development of the native American drama such as Eugene O Neill Ridgley Torrence and Paul Green now sees and recognizes the dramatically undeveloped potentialities of Negro life and folkways as a promising province of native idioms and source materials in which a developing national drama can find distinctive new themes characteristic and typical situations authentic atmosphere The growing number of successful and representative plays of this type form a valuable and significant contribution to the theatre of today and open intriguing and fascinating possibilities for the theatre of tomorrow Introduction **Selections from the Works Progress Administration Collection** Illinois State
