Playwork Play And Care For Children 515:

Making Play Work Robert Halpern, 2003-01-01 After school programs are becoming an important developmental support for low and moderate income children This book describes the historical development current status and critical issues facing these programs Divided into historical eras for easy reference the text examines The evolution of after school programs and their role in the lives of children providing a framework for reflecting on broader contemporary issues such as the effects of poverty on children in the United States The rationales for and objectives of these programs and how both were shaped by prevailing societal ideas about children Patterns of sponsorship and staffing describing daily routines and exploring the nature of children s experiences in different kinds of programs The relationship between after school programs and schools analyzing how these programs have responded to the dilemma of balancing children s needs for guidance and supervision with their equally important need for spontaneity and self expression Current directions and expectations for the future of after school programs

The Handbook of the Study of Play James E. Johnson, Scott G. Eberle, Thomas S. Henricks, David Kushner, 2015-02-05 The Handbook of the Study of Play brings together in two volumes thinkers whose diverse interests at the leading edge of scholarship and practice define the current field Because play is an activity that humans have shared across time place and culture and in their personal developmental timelines and because this behavior stretches deep into the evolutionary past no single discipline can lay claim to exclusive rights to study the subject Thus this handbook features the thinking of evolutionary psychologists ethologists and biologists neuroscientists developmental psychologists psychotherapists and play therapists historians sociologists and anthropologists cultural psychologists philosophers theorists of music performance and dance specialists in learning and language acquisition and playground designers Together but out of their varied understandings the incisive contributions to The Handbook take on vital questions of educational policy of literacy of fitness of the role of play in brain development of spontaneity and pleasure of well being and happiness of fairness and of the fuller realization of the self These volumes also comprise an intellectual history retrospective looks at the great thinkers who have made possible the modern study of play Subject Guide to Books in Print ,2001 Voices From the Field

Albert S Alissi, Catherine C Mergins, 2013-04-03 *Voices From the Field* is the book to challenge you from your cozy position of complacency By simply opening its pages you will learn about fascinating developments in group work sequences in group care empowerment groups in action and a whole spectrum of practice and education oriented themes you may have never considered before A compilation of work from the XVI Annual Symposium of the Association for the Advancement of Social Work with Groups this book reflects on social work s rich tradition of diversity and offers you insight that will expand your horizons and encourage you to incorporate different techniques into your repertory You will learn about contemporary practice the profession s historic mission and commitment and the evolution of group work practice and techniques with different populations This practical collection allows you to examine a broad spectrum of professional practice and

educational themes Chapters in *Voices From the Field* explore theory building qualitative research mutual aid time limited groups adventure groups psychodrama groups for addicted persons and their families group work with adolescents and skill development At the same time you refresh your grounding in the basic principles of social work you will learn about a group work forum on line the importance of empowering individuals through group experiences group treatment for alcoholism group work with juvenile sex offenders international contemporary practices of social group work establishing group norms in conflictual situations Clinicians neighborhood and community activists students professors researchers therapists old timers and newcomers will find *Voices From the Field* an extraordinary compilation of the basic principles and concepts underlying group work contemporary practice and applications for group social work and ways for enhancing practice knowledge and skills Whether you are reading it as a reference text in a methods course or reading it independently you will find this book reminds you of certain fundamentals long forgotten yet also inspires you to take on new challenges and different techniques for meeting the challenges of group social work

Play and Child Development Joe L. Frost, Sue Clark Wortham, Robert Stuart Reifel, 2001 Covering the developmental range of infancy to adolescence this book offers a comprehensive study of play including play therapy disabilities anthropology of play and play environments It also provides current perspectives on culture and gender differences in play through a blend of research theory and practical applications Focusing greater attention to contemporary issues than other books coverage includes brain research play deprivation therapeutic intervention and cutting edge information on how and why play is important for children The book also contains practical material on enhancing play play leadership balancing challenge risk and safety in play Other discussions emphasize the need to understand play and children with disabilities integrate play into classroom curricula and be aware of special places for play For teachers and other individuals concerned with child development and early childhood education

International Handbook of Early Childhood Education Marilyn Flear, Bert van Oers, 2017-10-10 This international handbook gives a comprehensive overview of findings from longstanding and contemporary research theory and practices in early childhood education in the Northern and Southern hemispheres The first volume of the handbook addresses theory methodology and the research activities and research needs of particular regions The second volume examines in detail innovations and longstanding programs curriculum and assessment and conceptions and research into child family and communities The two volumes of this handbook address the current theory methodologies and research needs of specific countries and provide insight into existing global similarities in early childhood practices By paying special attention to what is happening in the larger world contexts the volumes provide a representative overview of early childhood education practices and research and redress the current North South imbalance of published work on the subject

The Early Years Foundation Stage Ioanna Palaialogou, 2024-08-09 The revised fifth edition of *The Early Years Foundation Stage* has been fully updated to cover revised EYFS revised Development Matters and policy shifts in the sector New to the book Brand new

chapters on the Rights of the Child Children s Development Learning Theories and Planning New content on diversity and inclusion throughout all chapters New and updated case studies throughout the book including international cases Additions to chapters on children s mental health climate crisis and working with children post pandemic This market leading textbook is an essential guide for students helping them to develop an understanding of the EYFS curriculum and encouraging a critical view of the theory and policy behind it to strengthen their practice The Child Welfare Manual ,1915 **Early Childhood Education Directory** E. Robert LaCrosse,1971 **Plainswoman** ,1985 *Book Review Digest* ,1919 **New Playwork** Annie Davy,Jane Gallagher,2006 **Author Index to Psychological Index, 1894 to 1935, and Psychological Abstracts, 1927 to 1958** Columbia University.
