I don't just look at issues and problems from one side like most people do. Most people are a bit selfish and only see the side that favors them. angles the front the back the east west south north every side it has I analyze and dissect and research and once I am done I make a conclusion that usually offends all sides It s the truth but not what people want to hear So I decided to write poetry pros monologues and other stuff that come from the other side The side you refuse to look at The side that you don t even know exists the side you are too afraid to look at or the side that does not benefit you I took all the sides and created this work of art for those who are ready to see the other side So enjoy Poems from the Other Side      **Essential 22000 Phrases In English-Russian** Nam H Nguyen,2018-02-15 The Essential 22000 English Phrases are a great resource anywhere you go it is an easy tool that has just the phrases you want and need The entire eBook is an alphabetical list of English phrases It will be very useful for all walks of life home parent school students travel interpreting and learning English The phrases you will learn will help you in any situation Just remember one thing that learning never stops Read Read Read And Write Write Write A thank you to my wonderful wife Beth Griffo Nguyen and my amazing sons Taylor Nguyen and Ashton Nguyen for all their love and support without their emotional support and help none of these educational language eBooks and audios would be possible 22000 Nguyen      **The Anglo-American Telegraphic Code to Cheapen Telegraphy and to Furnish a Complete Cypher** ,1894      **Journal of the Common Council, of the City of Philadelphia, for ...** ,1896      **Travelers Record** ,1891      **The Pennsylvania School Journal** Thomas Henry Burrowes,James Pyle Wickersham,Elnathan Elisha Higbee,David Jewett Waller,Nathan C.
