clarity of mind and will that led to that decision the courage and distress in making it and the gaiety even once it was made She went against what her education her husband and most of her friends would regard as reasonable as she opted to spend her last months with Russian migr s and a strange assortment of Gurdjieff disciples which she was not But Fontainebleau give her the space and the incentive to shake free from the intellectualism that she thought the malaise of her time as she worked at kitchen chores took in the details of farm life tried to learn Russian and attempted to reach total honesty with herself If I were allowed one simple cry to God she wrote in one of her last letters that cry would be I want to be REAL
