Pleasure and the Good Life Gerd Van Riel, 2000 This volume concentrates on a hedonistic argument that enters the philosophical debate when philosophers argue that what they present as the good life is the truly pleasurable life The book investigates more precisely how this point was made by Plato and his successors **Pleasure and the Good Life** Paul van Riel, 2016-06-21 This volume deals with the general theory of pleasure of Plato and his successors. The first part describes the two paradigms between which all theories of pleasure oscillate Plato's definition of pleasure as the repletion of a lack and Aristotle's view that pleasure is the perfect performance of an activity After an excursus on Epicureans and Stoics the book concentrates on Neoplatonism opposing the standard Neoplatonic view of Plotinus and Proclus to the original viewpoint of Damascius commentary on Plato s Philebus The volume sheds light on the discussion between hedonists and anti hedonists by concentrating on the crucial point at which any philosophical analysis of the good life hedonistic or other ought to argue that the life of the philosopher is the most desirable and thus truly pleasurable life The Pleasure's All Mine Julie Peakman, 2013-10-15 Handcuffs paddles whips the words alone are enough to make a person blush Even by our society s standards the practice of things like BDSM is still very hush hush considered deviant sexual behavior that must be kept hidden But the narrow view of what is thought of as normal sex a vanilla act performed by one man and one woman is more and more contested these days And as Julie Peakman reveals normal never really existed for everyone different kinds of sex have always offered myriad pleasures and almost all sexual behaviors have traveled between acceptance and proscription The Pleasure's All Mine examines two millennia of letters diaries court records erotic books medical texts and more to explore the gamut of deviant sexual activity Delving into the specialized cultures of pain necrophilia and bestiality and the social world of plushies furries and life size sex dolls Peakman considers the changing attitudes toward these as well as masturbation golden showers sadomasochism homosexuals transvestites and transsexuals She follows the history of each behavior through its original reception to its interpretation by sexologists and how it is viewed today showing how previously acceptable behaviors now provoke social outrage or vice versa In addition she questions why people have been and remain intolerant of other people's sexual preferences. The first comprehensive history of sexual perversion and packed with both color and black and white images The Pleasure's All Mine is a fascinating and sometimes shocking look at the evolution of Pleasure and Guilt on the Grand Tour Chloe Chard, 1999 This work examines the forms of language that our views on sex map out Italy as an imaginative topography of pleasure within British and French travel writing over the period 1600 to 1830 It considers the tour with reference to strategies of description and themes Pleasure and Pain in Nineteenth-century French Literature and Culture David Evans, Kate Griffiths, 2008 From Sade at one end of the nineteenth century to Freud at the other via many French novelists and poets pleasure and pain become ever more closely entwined Whereas the inseparability of these themes has hitherto been studied from isolated perspectives such as psychoanalysis sadism and sado

masochism melancholy or post structuralist textual jouissance the originality of this collaborative volume lies in its exploration of how pleasure and pain function across a broader range of contexts The essays collected here demonstrate how the complex relationship between pleasure and pain plays a vital role in structuring nineteenth century thinking in prose fiction Balzac Flaubert Musset Maupassant Zola verse and the memoir as well as socio cultural studies medical discourses aesthetic theory and the visual arts Featuring an international selection of contributors representing the full range of approaches to scholarship in nineteenth century French studies historical literary cultural art historical philosophical and sociopolitical the volume attests to the vitality coherence and interdisciplinarity of nineteenth century French studies and will be of interest to a wide cross section of scholars and students of French literature society and culture The Man of Pleasure at Paris; Or, An Account of the Pleasures of that Capital Sir Charles P.,1808 The History of Sexuality: The use of pleasure Michel Foucault,1978 Volume 1 Michel Foucault offers an iconoclastic exploration of why we feel compelled to continually analyze and discuss sex and of the social and mental mechanisms of power that cause us to direct the questions of what we are to what our sexuality is Publisher description Pleasure and Being Moustafa Safouan,1983
