CHRISTIAN
APOLOGETICS

PETER KREEFT
AND RONALD K. TACELLI

Pocket Handbook Of Christian Apologetics

Ronald K. Tacelli, Peter Kreeft

Pocket Handbook Of Christian Apologetics:

Pocket Handbook of Christian Apologetics Peter Kreeft, Ronald K. Tacelli, 2003-05-22 Peter Kreeft and Ronald K Tacelli present a condensed version of their popular Handbook of Christian Apologetics summarizing the foremost arguments for major Christian teachings and offering compelling responses to the most common arguments put forward against Christianity

Biblical Apologetics Clifford B. McManis, 2013-07-26 The book you are holding in your hands is perhaps the simplest most straightforward summary and how to guide for presuppositional apologetics now in print It is both informative and practically helpful I believe you will find it an extremely useful tool whether you are an professor at the seminary level seeking supplemental reading material or just a simple lay person looking for practical answers Pastor McManis writes with crisp clarity in a way that is certain to give you fresh insight into what Scripture teaches about the defense of the Christian faith I wish this book had been available when I was studying apologetics in seminary John MacArthur Pastor Teacher Grace Community Church President of The Masters College and Seminary Cliff has rescued the discipline from the elite circle of the intelligentsia and returned it as a biblical theology of truth communication to the common people i e to all believers This volume will be of great help in the restoration of the practicality of biblical apologetics as it was exemplified in the early Church Hopefully today's readers will be able to understand and put into practice the true nature of Peter's command in 1 Peter 3:15 as it is strategically situated in its defining context George J Zemek Academic Dean The Expositors Seminary Jupiter Florida

Apologetics without Apology Elaine Graham, 2017-07-19 Against many expectations religion has not vanished from Western culture People are troubled and fascinated in equal measure by this new visibility and are unsure whether it is right to re incorporate the vocabulary of faith into our common life This unprecedented co existence of religion and secularism is sometimes termed the postsecular and in this book Elaine Graham considers some of its implications for the public witness of Christianity She argues that everyone from church leaders theologians local activists and campaigners needs to learn again how to speak Christian in these contexts They need to articulate credible theological justifications for their involvement in public life and to justify the very relevance of their faith to a culture that no longer grants automatic privilege or credence This entails a retrieval of the ancient practice of apologetics in order to encourage and equip Christians to defend and commend their core principles and convictions in public This new apologetics involves discerning the actions of God in the world participating in the praxis of God's mission and bearing witness in word and deed Rather than being an adversarial or argumentative process this is an invitation to dialogue and to the rejuvenation of our public life

Christianity for Seekers and Skeptics Clinton W. McLemore, 2024-11-14 What is the difference between belief and faith Are science and religion incompatible How much do we know about Jesus Why does God keep us so much in the dark How much can we trust the Bible especially when the New Testament is two thousand years old and the Old Testament even older Has Christianity helped or hindered civilization What about violence in the name of Christ Why does God allow

suffering and tragedy Does religious faith even make sense Christianity for Seekers and Skeptics is for those in search of passionate faith that also holds up under careful scrutiny It is also for Christians who want better to understand the foundations of their faith and how to respond when others challenge it The author is an award winning psychologist who has taught at the college and university levels He has also taught in a doctoral clinical training program at a seminary This wide ranging volume reflects decades of multi disciplinary study It is a refreshingly honest approach to questions about Christian beliefs and how someone in the twenty first century can think critically and also have strong faith This is a no nonsense presentation of Christianity that tackles the hard questions head on *Christian Apologetics as Cross-Cultural Dialogue*

Benno van den Toren,2011-10-27 A call for a new understanding of apologetics moving away from appeals to tran cultural rationality arguing for a new form of cross cultural dialogue *Library Journal* Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,2006 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **American Reference Books Annual** Bohdan S. Wynar,2004 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering The Answer Randy Pope,2005 **Handbook of Christian Apologetics** Ronald K. Tacelli,Peter Kreeft,2025-07-22 Reasonable concise witty and wise Peter Kreeft and Ronald K Tacelli have written an informative and valuable guidebook for anyone looking for answers to questions of faith and reason Topics include faith and reason the existence of God God s nature how we know God creation and evolution providence and free will miracles the problem of evil the Bible s historical reliability the divinity of Christ the resurrection life after death heaven and hell salvation Christianity and other religions objective truth Whether you are asking the questions yourself or want to respond to others who are here is the resource you have been waiting for *The Publishers' Circular and Booksellers' Record* ,1911 *Book News* ,1888 *The Publisher* ,1911

Book News Monthly ,1904 □□ □□□ □□ □□ □□□,2006 **Paperbound Books in Print** ,1992 The Cumulative Book Index ,1996 A world list of books in the English language Subject Guide to Books in Print ,2001 The Dial Francis Fisher Browne,1888 The Publishers' Trade List Annual ,1887 *British Books* ,1911
