Lindgren, 1991 Teachers and librarians searching for materials on cultural authenticity will find a dynamic dialogue bibliographies and resource lists in The Multicolored Mirror Instructor, 1994 *An Illustrated Life of Christ Presented to the Chinese Emperor* Nicolas Standaert, 2007 A renewed attention to visual culture is one of the recent developments in the study of cultural contacts between China and Europe in the seventeenth and eighteenth centuries The subject of this book is the illustrated Life of Christ presented to the Chinese emperor in 1640 by the Jesuit missionary Johann Adam Schall von Bell S J 1592 1666 The origin of the work is a small parchment booklet with coloured miniature paintings based on a wide variety of prints by well

known European engravers e g H Goltzius J Stradanus It was compiled in Munich in 1617 and a Chinese version with the title Jincheng shuxiang was published in Beijing more than twenty years later in a nicely illustrated edition An Illustrated Life of Christ is a fascinating analysis of one of the earliest artistic encounters between Europe and China Standaert has once again demonstrated his scholarly foresight workmanship and authority John T P Lai in Journal of the History of Christianity in Modern China This book is composed of two parts Part I traces the complex history of production of Jincheng shuxiang from its European origin to its Chinese reception It also analyses the illustrations and the text Part II contains the reproduction of the Chinese text and 48 illustrations the reproduction of the identified original European prints and a translation of the Chinese text It is hoped that the wider diffusion of this rare primary source which is now reprinted for the first time since the seventeenth century will further stimulate the study of visual culture in Sino Western relations The book will be of interest to a broad range of scholars from art historians of China and Europe to scholars interested in print history and theologians
