Vol.1-4 ,1822 **The Truth about the Tribulation** Jim Lewis,2023-10-23 When I was in High School in the early 1960s I was taught there was nothing more that needed to happen before the rapture of the saints and that the tribulation could come at any time If that was the case what was God waiting for So my wife and I have read many books on end time events since we were married But they all seemed to repeat what I learned in high school So there is a great thing God does He equips the called That is what he did with me God is the true author of this book When I didn't know a word or have any idea how to proceed I prayed and God allowed the words to flow and gave me understanding That is how this book came to be About ten years ago I started serious research on the subject I found the answers were not as I was taught during my high school years The more I studied the more truth I found I decided to put what I learned into a book to teach others

the real truth about the tribulation and what will happen in the Last Days They say what you don t know can t hurt you I found out that s a lie There are things you need to know before the tribulation starts This book is about the Tribulation culminating in the Battle of Armageddon and the 1000 reign of Christ on Earth occurring in the near future **Libro de Las Generaciones (Ms. 17633, B.N.
