faith and real religious commitment in the modern world unity within a fragmented and contentious Jewish community morality within a libertine contemporary society and the prospect for Zionism and Israel within the world of nations He has defined the parameters and structured the vision of Modern Orthodoxy as a vibrant and attractive religious phenomenon that combines fidelity to Jewish tradition while embracing the modern world of knowledge and culture with tolerance for all Jews and civility toward all humankind This is the definitive work on modern orthodoxy **The Return of Oral Hermeneutics**
