*Special Interest Society* James R. Hudson, 2013-09-12 Voluntary associations have been ubiquitous in our society for hundreds of years Efforts to develop a classification scheme have often overlooked one important segment membership based organizations MBOs MBOs are created voluntarily by a group of like minded individuals who seek to advance their interests by organizing to promote and protect a specific domain A number have earned the reputation for operating as special interests To accept that notion would not be telling the full story and would overlook the many contributions they have made A central thesis of Special Interest Society How Membership based Organizations Shape America is that no modern democratic society can function without them With a focus on how they emerge and the steps they take to advance their mutual interests the book also provides a sober account of how MBOs can be slow to accept important and necessary changes It also reveals the less flattering role they have played in denying access or limiting acceptance to eligible individuals based on their race gender ethnicity and more In Special Interest Society James R Hudson analyzes over 400 published histories of MBOs to report on their emergence growth and development Many provide essential services within our society of which we are unaware that we have come to rely upon Employing several sociological theories he explains why their actions have enabled these organizations to thrive in a democratic society as well as affect significant social change Throughout he demonstrates how open and democratic societies provide a fertile ground for their continued emergence He explains why their numbers have increased over the last two hundred years as occupations and personal interests have become more specialized and complex Written for students and scholars working in sociology public policy business community development and nonprofit management as well as association professionals and their staff this book provides an unparalleled insight into the history purpose and challenges of associations in America Skeletal Injury in the Child John A.
