Clothing and Fashion José Blanco F., Patricia Kay Hunt-Hurst, Heather Vaughan Lee, Mary Doering, 2015-11-23 This unique four volume encyclopedia examines the historical significance of fashion trends revealing the social and cultural connections of clothing from the precolonial times to the present day This sweeping overview of fashion and apparel covers several centuries of American history as seen through the lens of the clothes we wear from the Native American moccasin to Manolo Blahnik's contribution to stiletto heels Through four detailed volumes this work delves into what people wore in various periods in our country's past and why from hand crafted family garments in the 1600s to the rough clothing of slaves to the sophisticated textile designs of the 21st century More than 100 fashion experts and clothing historians pay tribute to the most notable garments accessories and people comprising design and fashion The four volumes contain more than 800 alphabetical entries with each volume representing a different era Content includes fascinating information such as that beginning in 1619 through 1654 every man in Virginia was required to plant a number of mulberry trees to support the silk industry in England what is known about the clothing of enslaved African Americans and that there were regulations placed on clothing design during World War II The set also includes color inserts that better communicate the visual impact of clothing and fashion across eras

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the

Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

Migration and the Transformation of the Southern Workplace Since 1945 Robert Cassanello, Colin John Davis, 2009 Contributors examine the intersection of labour history and migration studies to explain the South's recent dynamism in both urban and rural settings These essays examine the transformation of the Southern workplace since World War II the impact migration has on workers who don't move and the corporations and industry that have relocated below the Mason Dixon line

Labor, 2006

Ready-to-Wear and Ready-to-Work Nancy L. Green, 1997-01-16 Nancy L Green offers a critical and lively look at New York's Seventh Avenue and the Parisian Sentier in this first comparative study of the two historical centers of the women's garment industry Torn between mass production and art this industry is one of the few manufacturing sectors left in the service centered cities of today Ready to Wear and Ready to Work tells the story of urban growth the politics of labor and the relationships among the many immigrant groups who have come to work the sewing machines over the last century Green focuses on issues of fashion and fabrication as they involve both the production and consumption of clothing Traditionally much of the urban garment industry has been organized around small workshops and flexible homework and Green emphasizes the effect this labor organization had on the men and mostly women who have sewn the garments Whether considering the immigrant Jews Italians Puerto Ricans Dominicans and Chinese in New York or the Chinese Cambodians Turks Armenians and Russian Polish and Tunisian Jews in Paris she outlines similarities of social experience in the shops and the unions while allowing the voices of the workers in all their diversity to be heard A provocative examination of gender and ethnicity historical conflict and consensus and notions of class and cultural difference Ready to Wear and Ready to Work breaks new ground in the methodology of comparative history
