Archaeology Group (England). Conference,2002 This volume of proceedings gathers papers on the archaeology of medicine delivered at a session of the annual conference of the Theoretical Archaeology Group in Birmingham in 1998 The contributors consider archaeological fields such as palaeopathology and osteology and the applications of modern medical techniques to these areas the nature of disease medicine and healthcare in ancient medieval and early modern societies and the evidence for these pre modern attitudes including literary sources surgery dentistry medicine chests and medicinal plants in the archaeological record and more The papers not only demonstrate how far the archaeology of medicine has come but encourages future research in this multifaceted and interdisciplinary subfield      **Women and Sport** Ellen J.

Staurowsky,2016-07-07 *Women and Sport Continuing a Journey of Liberation and Celebration* focuses on women winning access to the playing field as well as the front office in sport Readers will gain an understanding of how women have been involved in sport and physical activity how they have struggled for widespread recognition and legitimacy in the eyes of many and how they continue to carve out their role in shaping sport as we know it today and as it will be in the future Edited by renowned expert Ellen J Staurowsky widely accepted as an authority on college athlete rights and Title IX and gender equity

Women and Sport facilitates interdisciplinary research based discussion by providing a detailed account of contributions from women in sport. The text features a foreword by sport executive Donna Orender and 15 chapters written by leading authorities in women and gender studies in sport that are grouped into four parts: Women's Sport in Context, Connecting Past and Present, reminds readers of the historical events and influences that shape today's landscape. Strong Girls, Strong Women recognizes gender differences and what it means to create equitable access to sport opportunities. Women, Sport and Social Location explores how various characteristics and qualities may affect sport participation and opportunities. Women in the Sport Industry offers a rare and contemporary approach to examining women in sport leadership, management and media. Women and Sport was developed with the intent of filling a need by serving as a primary textbook and separates itself from other titles by providing an abundance of instructor ancillary materials that assist in class preparations. Pedagogical aids such as objectives, glossary, terms, discussion questions and learning activities in each chapter facilitate student understanding of the material covered. Sidebars throughout the text enable the contributors to provide thought provoking content on topics such as media coverage of female athletes, how female athletes are used in marketing campaigns and whether athletic competitions should continue to be segregated by sex. Readers will discover the impact of these topics in many areas of society from biomedical to psychosocial and historical. Through its engaging content, Women and Sport: Continuing a Journey of Liberation and Celebration serves as a launching pad for discussions that will shape society's ongoing conversation about what it means to be a female athlete or a woman working in sport. It is an ideal textbook for adoption in interdisciplinary courses that focus on women and gender studies in sport.
