**BOOK JACKET**      *Politics and the Media in Britain* Raymond Kuhn, 2017-09-16 This important new text provides an

up to date account of the complex interrelationship between politics and the media in Britain It starts by setting key policy areas in the context of technological convergence globalization and initiatives at European level It then addresses the key issues the role of the media in politics and elections      **Media, Markets, and Democracy** C. Edwin Baker,2001-11-05 Government interventions in media markets are often criticized for preventing audiences from getting the media products they want A free press is often asserted to be essential for democracy The first point is incorrect and the second is inadequate as a policy guide Part I of this book shows that unique aspects of media products prevent markets from providing for audience desires Part II shows that four prominent but different theories of democracy lead to different conceptions of good journalistic practice media policy and proper constitutional principles Part II makes clear that the choice among democratic theories is crucial for understanding what should be meant by free press Part III explores international free trade in media products Contrary to the dominant American position it shows that Parts I and II s economic and democratic theory justify deviations from free trade in media products      **Democracy in the Age of Globalization and Mediatization** H. Kriesi,D. Bochsler,J. Matthes,S. Lavenex,M. Bühlmann,F. Esser,2013-01-11 This book provides comprehensive coverage of the models of contemporary democracy its social cultural economic and political prerequisites its empirically existing varieties and its two major challenges globalization and mediatization The book also covers the global spread of democracy and its spread into supranational democracies      *Jahresbibliographie Massenkommunikation* ,2000      The Pacific Journalist David Robie,2001      **Narrating Media History** Michael Bailey,2009 Explores British media history as a series of competing narratives This collection identifies and contrasts the various interrelationships between media histories and also encourages dialogue between different historical political and theoretical perspectives including liberalism feminism populism nationalism and libertarianism      **Regulating The Press** Tom O'Malley,Clive Soley,2000-11-20 Courageous reporting read this book Michael Moore\_x000B\_Original hardback edition of this New York Times bestseller

**Contemporary Authors** Lisa Kumar,2004-04 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers      European Journal of Political Research ,2006      **Criminal Visions** Paul Mason,2003 Despite being an increasingly high profile subject few publications address media representations of law and order head on This book aims to meet this need by bringing together an important range of papers from leading researchers in the field addressing issues of fictional factual and hybrid representations of crime in the media      **Media Debates** Everette E. Dennis,John Calhoun Merrill,2002 These renowned scholars present 19 issues specific to the interplay of media and society and debate them in this text After a thoughtful introduction to the issue in that chapter each author takes a pro or con position to debate the contested topic Dennis and Merrill provide a context for students to think critically about key media topics and their impact

on society by providing a balanced range of timeless and current issues in this unique format      Confirming the African Stereotype in British Television News Mal Green,2001      *Morality Tales* María José Canel,Karen Sanders,2006 Taking political scandal as the entry point this book presents a study of comparative political communication It explores themes such as how and why journalists construct their scandal stories what kind of narratives were told the impact of political scandal and what this reveals about the influence of the press      **Where did you hear that?** Silvia Vogt,2000
