Too Big for Small Things, Too Small for Big Things Pauline Kange, 2024-05-28 This book has great depth yet is written in language that is easy to understand We have all heard of people who because of their giftedness rose to great heights only to have a catastrophic fall later because of seemingly one mistake The truth that the Author illuminates is that it is not merely one error in judgment that sinks the boat but a pervasive lack of honor in one's life in conduct and decision making that brings a person down TOO BIG FOR SMALL THINGS TOO SMALL FOR BIG THINGS is a comprehensive self help manual comprised of a step by step principle a system geared towards climbing the ladder of success and staying there The narrative is success leaves clues footprints or a roadmap that tells a story of service honor and protocol and this go to guide will highlight just that Meaning and purpose will be added to life when challenged to serve intentionally The voice of service will be recognizable to you as it continually leads you to new realms of promotion Motives will be uncovered as you learn to serve in full transparency without a hidden agenda You will be challenged in your perspective shifted in your paradigm and propelled into your destiny as you navigate through these chapters May you grow in the grace of a servant leader

The Persuasive Preacher David A. Christensen, 2020-07-16 How can we preach persuasively without huckstering manipulating or coercing people Sadly we are seeing the fall of many pastors not for reasons of sexual immorality but the pursuit of pride and power The skillful use of marketing methods creates celebrity pastors who become significant influencers in the evangelical church The lure of success is seductive turning pastors into hucksters and Christians into consumers We need to heed the warnings of the New Testament about the pride of rhetoric and the pursuit of power David Christensen carefully analyzes the biblical warnings of Paul about the temptations of rhetorical sophistry in the first century church and applies them to pastoral ministry today God calls preachers to be ethical and effective persuaders David develops an ethical grid for pastoral persuasion using principles drawn from the Bible and social science along with practical illustrations from his years of ministry He calls preachers to be ethical and effective persuaders by emphasizing the centrality of the word of God while depending on the power of the Spirit of God Chosen for the altar Tania Rubim, 2018-02-02 She is always at her husband's side Even though she is the centre of attention The details about her life and the position she holds are always a source of curiosity But what does it mean to be a pastor's wife What challenges does she have to face How did she join this ministry and become a helper of a man of God What does a young woman have to take into consideration when she plans to marry a pastor In this book Tania Rubim writes about facing the challenges of joining this ministry *Chosen for the Altar A Manual for the Future Pastor's Wife* clarifies misconceptions and at the same time gives encouragement to young girls who dream of serving God on the Altar but fear that it is something impossible to achieve *The Christian Advocate*, 1898 **Control in Conflict** John Wallace, 1982 **Not by Might, Nor by Power** Douglas Petersen, 1996 *Institutes of the Christian Religion* John Calvin, 2016-03-14 The chief work of the theologian John Calvin the institutes have set the
