<u>Ultimate Lesbian Erotica 2005</u> Nicole Foster,2004 A new best of the best series of original lesbian erotica Ultimate Lesbian Erotica will present the hottest never before seen work from the top writers of lesbian erotica Nicole Foster edited the best selling books Skin Deep Awakening the Virgin and Electric **Butch-Femme** Sally Munt, Cherry Smyth, 1998 Despite its evident significance in lesbian communities the designations of butch and femme have rarely been theorized or written about from a critical perspective For many lesbians butch and femme are expressive lived identities yet prevalent intellectual trends encourage us in the view that these are somehow provisional empty and artificial This book is an attempt to think creatively about hutch femme in a way which honors the intimacy of these identities hoping to articulate the closeness we hold to these evocative categories respecting the power they hold in lesbian cultures but also avoiding the cliched romanticization often endemic to their representation Far from being sentimentally unreflective the pieces in this collection also intend to offer up the mirror of estrangement so we can think about these categories in new ways combining the critical eye with affect All the essays in this collection communicate the complexity of butch femme without sacrificing the emotional integrity with which these identities are lived Many of the chapters take the form of traditional academic analyses but there are also contributions which choose the imaginative form written by performance artists or poets The Persistent Desire Joan Nestle, 1992 Contains photo of Radclyffe Hall p 472 The Lesbian Erotic Dance JoAnn Loulan, Sherry Thomas, 1990 JoAnn Loulan explores what happens when all lesbians try to the same and what we can learn from exploring differences The Lesbian Erotic Dance opens with that age old tango butch and femme Then JoAnn Loulan begins to create a new erotic language that will help to end the silences describing other rhythms of sexuality that are at the same time inclusive and diverse This book is about reclaiming lesbian eroticism our history and all our possibilities Page 4 of Femme Laura Harris, Elizabeth Crocker, 2014-04-08 Femme seeks to redress the ways that femme identities have been elided idealized or not fully historicized in a productive reconsideration of lesbian and butch femme history of feminism and of gueer thought As a feminist project Femme offers an alliance between many communities of women previously passed over by feminism Contributors Leah Lilith Albrecht Samarasinha Barbara Cruikshank Madeline Davis Heather Findlay Jewelle Gomez Kelly Hankin Leslie Henson Amber Hollibaugh Elizabeth Lapovsky Kennedy Mabel Maney Katherine Millersdaughter Joan Nestle Lisa Ortiz Minnie Bruce Pratt Rebecca Ann Rugg Gaby Sandoval Marcy Sheiner Alex Robertson **Frontiers** ,1996 A journal of women studies <u>Unsafe Words</u> Shantel Gabrieal Buggs, Trevor Hoppe, 2023-02-10 Textor Queer people may not have invented sex but gueers have long been pioneers in imagining new ways to have it Yet their voices have been largely absent from the MeToo conversation What can gueer people learn from the MeToo conversation And what can gueer communities teach the rest of the world about ethical sex This provocative book brings together academics activists artists and sex workers to tackle challenging questions about sex power consent and harm While responding to the need for sex to be consensual and mutually pleasurable these chapter authors resist the heteronormative assumptions class norms and racial privilege underlying much MeToo discourse The essays reveal the tools that queer communities themselves have developed to practice ethical sex from the sex worker negotiating with her client to the gay man having anonymous sex in the back room At the same time they explore how queer communities might better prevent and respond to sexual violence

without recourse to a police force that is frequently racist homophobic and transphobic Telling a queerer side of the MeToo story Unsafe Words dares to challenge dogmatic assumptions about sex and consent while developing tools and language to promote more ethical and more pleasurable sex for everyone **The Lesbian S/M Safety Manual** Pat Califia,Patrick Califia,1988 **The Best American Erotica** ,1999 The Material Queer Donald Morton,1996-06-20 The Material Queer is an innovative anthology that offers a materialist understanding of marginal sexualities by accounting for the full range of classic and contemporary views It breaks with the classic tradition in lesbian and gay studies and also with ludic post modern theory by insisting on the embeddedness of gender and sexuality in the social division of labor **Best Lesbian Erotica** ,2005
