Setting The Mould The United States And Britain 1945 1950:

Britain and America After World War II Richard Wevill, 2012-05-15 The period immediately after World War II was a vital one for diplomatic relations and with the Soviet Union emerging as a new superpower it was particularly important for Britain's relations with America This is the first book to focus on the role of the British Embassy in Washington during this period According to Richard Wevill the British Embassy was pivotal in the fulfilment of key British foreign financial and imperial policy objectives Applying the implications of new archival material to the turning points of the period including a detailed review of Lord Halifax's ambassadorship under Attlee a re evaluation of the part of Roger Makins in the atomic energy discussions and the Embassy's influence in relation to Palestine Wevill argues for a more nuanced understanding of the special relationship in its most formative period He offers a recasting of a crucial period of twentieth century history providing fascinating new detail on Britain's relations with President Truman as well as with Secretaries of State George Marshall and Dean Acheson Charting the beginnings of one of modern history's most influential alliances this book will be a primary reference point for students and scholars of History the Cold War Politics and International Relations *Pax Anglo-Americana* Ursula Lehmkuhl, 2014-12-15 Das erste Jahrzehnt nach dem Zweiten Weltkrieg stellt eine Phase dar in der die Sonderbeziehungen zwischen Großbritannien und den USA in vielerlei Hinsicht vor neuen Herausforderungen und Belastungsproben standen Die Studie untersucht die facettenreiche special relationship in der Hochphase des Kalten Krieges und fragt danach inwieweit die USA in der Asien und Fernostpolitik in der Lage waren die Ziele und Positionen der eigenen Globalplanung gegenüber den konkurrierenden britischen Interessen durchzusetzen Es zeigt sich daß der Machtverlust den Großbritannien in wirtschaftlicher und militärischer Hinsicht durch den Zweiten Weltkrieg erlitten hatte nicht mit einem Einflußverlust in der internationalen Politik gleichgesetzt werden darf **America and the Cold War, 1941-1991** Norman A. Graebner, Richard Dean Burns, Joseph M. Siracusa, 2010-05-05 Three distinguished diplomatic historians offer an assessment of the Cold War in the realist tradition that focuses on balancing the objectives of foreign policy with the means of accomplishing them *America and the Cold War 1941-1991 A Realist Interpretation* is a sweeping historical account that focuses on the policy differences at the center of this conflict In its pages three preeminent authors offer an examination of contemporary criticism of the Cold War documenting the views of observers who appreciated that many policies of the period were not only dangerous but could not resolve the problems they contemplated The study offers a comprehensive chronicle of U S Soviet relations broadly conceived from World War II to the collapse of the Soviet Union It places the origins of the Cold War as related to the contentious issues of World War II and stresses the failure of Washington to understand or seriously seek settlement of those issues It points out how nuclear weaponry gradually assumed political stature and came to dominate high level Soviet American diplomatic activity at the same time discounting the notion that the Cold War was a global ideological confrontation for the future of civilization A concluding chapter draws lessons from the Cold War decades

showing how they apply to dealing with nation states and terrorist groups today

Das Nordatlantische Bündnis

1949-1956 Klaus Autbert Maier, Norbert Theodor Wiggershaus, 1993 Das Nordatlantische Bündnis war immer auch ein politischer und wirtschaftlicher Staatenverbund der auf eine Kooperation angelegt war die weit über den Bereich der eigentlichen Sicherheitspolitik hinausstrebte Neben dem weltpolitischen Umfeld dem Ost West Konflikt und den darin wirksamen Bedrohungsperzeptionen verdient daher die innere atlantische Perspektive in der Formationsphase des Bündnisses besondere historische Beachtung Diese interne Perspektive des Bündnisses kann als Verstrickung von europäischer und amerikanischer Politik unter Aufgabe nationaler Souveränität definiert werden In diese Perspektive muß der zur nordamerikanisch westeuropäischen Sicherheitsintegration parallel und nicht immer spannungsfrei verlaufende Prozeß der westeuropäischen Integration einbezogen werden Diese breite historische Aufarbeitung der Formationsphase des Nordatlantischen Bündnisses erscheint nicht zuletzt aus aktuellen politischen Gründen bedeutsam Mit Blick auf die dramatischen Umbrüche in den Staaten Mittel und Osteuropas die die internationale Nachkriegsordnung in Frage stellen eröffnen sich Perspektiven für die Rückkehr dieser Staaten nach Europa

Mit den Bestrebungen der Europäischen Union hat die Idee einer eigenständigen europäischen Sicherheits- und Verteidigungsidentität in den letzten Jahren stark an Aktualität gewonnen Diese Idee war allerdings bereits in den ersten Jahren des Kalten Krieges mit dem Brüsseler Pakt West Union und vor allem mit der Europäischen Verteidigungsgemeinschaft EVG verfolgt worden Die vorliegende Arbeit untersucht wie die USA heute wie damals die unbestrittene westliche Führungsmacht unter den Präsidenten Truman und Eisenhower auf solche Projekte einer Europa Armee reagierten und sie vor dem Hintergrund der atlantischen Sicherheitspolitik im Rahmen der NATO mit den eigenen europäischen und globalpolitischen Interessen in Einklang zu bringen suchten Die Untersuchung schließt mit dem Scheitern der EVG 1954

Great Britain, the United States, and the Security of the Middle East Magnus Persson, 1998 The United States took the initiative to the Northern Tier policy to create a defense barrier along the southern border of the Soviet Union and this policy later resulted in the Baghdad Pact This study addresses Anglo American relations in relation to the Northern Tier policy and the formulation phase of the Baghdad Pact from 1953 to 1955 Britain, the Cold War and Yugoslav Unity, 1941-1949 Ann
