most open of chances to get at me I had paid all my bills The sixty six dollars and ninety five cents in my pocket comprised all my worldly goods but no one else had any claim on it Whatever unknown port I was clearing for with severely bare sticks and decks it was with no debts left behind Yes I had determined to decoy my enemies if enemies they were out into the open I had even made up my mind as to where it should be In all New York the loneliest spot at eight o'clock of an October night or any night for that matter is the one which by day is the most crowded on all the globe Lower Broadway empty then of all its hordes and its canyon like cleft silent its intersecting minor canyons emptier and quieter even than their desert kin It was there that I would go *Seven Footprints to Satan: Abraham Merritt (Thrillers) Illustrated* Abraham Merritt, 2021-04-18 The most beautiful and powerful people in the world had bargained with the Devil They play Russian Roulette with seven footprints to world domination and lost They had become subject to the Collector of Infernal Revenue Satan The Master Player of games would glut his lust with souls and gain world power through diabolical manipulations But into his collection comes James Kirkham an American explorer determined to prove that the steps are stacked [Seven Footprints to Satan](#) Abraham Merritt, 2020-07-19 We are happy to announce this classic book Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers Our goal is to access the very large literary repository of general public books The main contents of our entire classical books are the original works To ensure high quality products all the titles are chosen carefully by our staff We hope you enjoy this classic *Thrills Untapped* Michael R.
