Seven Initiations Of The Spiritual Path:

The Seven Initiations on the Spiritual Path Michael Mirdad, 2008-03-31 Michael Mirdad has written a book that can assist us all on the path to wholeness and help us live a life of balance and peace By using life's little lessons and tests also called initiations Dr Mirdad explains that as we learn we open our hearts and our souls connection to God becomes stronger As this happens we move closer to a more spiritual and enlightened life The seven basic initiations involve different parts of ourselves from our bodies minds emotions and spirit This book is not only to be read but experienced The message is to take those triumphs and tragedies of life and use them as pavers to continue to build our road to peace and happiness **Beyond**

Ascension Joshua David Stone, 1995 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source **Cosmic Ascension** Joshua David Stone, 1998-02-01 Cosmic Ascension Your Cosmic Map

Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth's history there is a new opening and potentiality to also begin one's cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book **The Gift of Alzheimer's** Maggie La Tourelle, 2015-04-16 In this perception

changing book psychotherapist and healer Maggie La Tourelle gives a moving account of her evolving relationship with her mother who has Alzheimer's Providing practical advice and bringing new insight and understanding to Alzheimer's this multi dimensional story demonstrates the healing power of love and shows how by being open and seeking meaning we can find wisdom in the midst of confusion Including the latest research into neuroscience and altered states of consciousness the book offers hope and a way forward for those affected by this devastating disease It concludes with a useful care guide for the physical and emotional needs of people with Alzheimer's *The Beauty Way* Michael Anderson, Laura Anderson, 2015-02-09

axis that unites all levels of creation and brings restoration The book also explores the symbolism of metals bronze as a sign of divine judgment and refinement and brass as a symbol of counterfeit spirituality using the evolution of metallurgy as a metaphor for spiritual truth versus deception The work concludes with a critique of modern timekeeping and materialism proposing a return to a divinely aligned calendar and rhythm of life It traces the author's own genealogy as a case study in the endurance of biblical prophecy and the persistence of God's promises Ultimately the book envisions the universe as a divine symphony with Christ as the conductor and calls for a restoration of the original sacred rhythms that govern both the seen and unseen realms

Rules for Spiritual Initiation Zachary Lansdowne, 1990-05-01 Zachary Lansdowne author of earlier books on the Ageless Wisdom reveals the esoteric significance of fourteen symbolic rules that were originally published by Alice A Bailey He shows that the symbols in each rule have both an outer and inner meaning The outer meaning describes an objective in character building and the inner meaning describes a stage in the process of meditation The initial sequence of seven rules provides elementary instructions for the path of probation leading to the first spiritual initiation and the next sequence provides advanced instructions for the path of discipleship leading to the second and third initiations Lansdowne also discusses the close relationship between these rules and the typology of the seven rays The end result is an easy-to-understand guidebook to the various stages of the spiritual path
