

The background of the book cover is a painting of a forest scene. A path of light-colored, possibly stone or sand, leads from the foreground into a dense forest of tall, dark trees. The path eventually leads to a body of water, likely a lake or a wide river, which reflects the light. The overall color palette is dominated by greens and blues, with some brown tones from the trees and path.

## **Seven Paths To Understanding:**

### **Judaism, Christianity, and Islam: The Classical Texts and Their Interpretation, Volume II F. E.**

Peters,1990-08-15 F E Peters has taken the basic texts of the three related and competitive religious systems we call Judaism Christianity and Islam and has juxtaposed them in a topical and parallel arrangement according to the issues that most concerned all these children of Abraham Through these extensive passages and the author s connective commentary the three traditions are shown with their similarities sometimes startlingly underlined and their well known differences now more profoundly exposed What emerges from this ambitious work is a panorama of belief practice and sensibility that will broaden our understanding of our religious and political roots in a past that is by these communities definition still the present Throughout the work we hear an amazing variety of voices some familiar some not all of them central to the primary and secondary canons of their own tradition alongside the Scriptural voice of God are the words of theologians priests visionaries lawyers rulers and the ruled From publisher description *The Story of Creation* Joshua D. Stone,2001 One of the most extraordinary books ever channeled and written on the true Story of Creation from the Ascended Masters perspective This book brings forth never before revealed information on the Story of Creation that will change your consciousness of self and life forever This is all channeled information of myself and a great many of the greatest channels who have ever lived on this planet All this information is woven together into one of the most comprehensive compelling full spectrum prism perspectives on how Creation really occurred Absolutely must reading for all seekers of Self and God Realization *The Darvishes* John P. Brown,2013-05-13 The Darvishes is an invaluable contribution to the study of the Belief and spiritual principles of the Darvish Orders and is one of the most accurate reference works on the subject Drawn exclusively from the original Oriental works and from Turkish Arabic and Persian manuscripts the originality and authenticity of the work is beyond doubt As well as discussing Darvish doctrines and history the volume also examines the spiritual and metaphysical significance of Sufism as a living tradition *The Complete Ascension Manual* Joshua David Stone,1994-01-01 For those who have the intention but lack the lifetime it would take to study the entire history of spirituality this extraordinary compendium is a great gift Stone has gleaned the essentials from vast research as well as intuitive information and woven them into a simple and engrossing exploration of self realization The Complete Ascension Manual is both practical and enlightening It is a guidebook through the past and a how to manual for ascension Created to be read as an overview of the spiritual path this book explores the world s great religions Great Masters spiritual psychology and the Ascended Masters teachings with specific steps to accelerate our process of ascension The Complete Ascension Manual is a thorough introduction to subjects such as The monad soul and personality God and the cosmic Hierarchy Ascension the sixth initiation Twenty ascension techniques to build your Light quotient Mantras names of God and words of power and 147 Golden Keys to achieving ascension in this lifetime **The Path of Serenity and Insight** Henepola Gunaratana,2016-01-01 In the oldest

scriptures of Theravada Buddhism much attention is given to the jhanas high levels of meditative attainment distinguished by powerful concentration and purity of mind Ven Dr Gunaratana examines these jhanas within the context of Buddhist teaching as a whole and particularly within the meditation disciplines taught by the Buddha Beginning with the ethical foundation for meditation the role of the teacher the classical subjects of meditation and the appropriateness of these subjects to individual practitioners the author traces the practice of meditation to the higher reaches of realization The eight stages of jhana are individually analyzed and explained in terms of their relation to one another and to the ultimate goal of the teaching The author makes the critical distinction between the mundane jhanas and supermundane jhanas pointing out that the lower four while leading to various mental powers and psychic attainments are not necessary to full enlightenment and may be developed or bypassed as the meditator wishes The author goes on to explain the place of the jhanas among the accomplishments of an arahat and elucidate their usefulness for a dedicated meditator For more info please log on to [www.mlbd.co.in](http://www.mlbd.co.in)
