

Seven Short Plays

By

Lady Gregory

Author of

"Irish Folk-History Plays," "New Comedies," etc.

The plays in this volume are the following: "Spreading the News," "Hyacinth Halvey," "The Rising of the Moon," "The Jackdaw," "The Workhouse Ward," "The Travelling Man," "The Gaol Gate." The volume also contains music for the songs in the plays and notes explaining the conception of the plays.

Among the three great exponents of the modern Celtic movement in Ireland, Lady Gregory holds an unusual place. It is she from whom came the chief historical impulse which resulted in the re-creation for the present generation of the elemental poetry of early Ireland, its wild disorders, its loves and hates—all the passionate light and shadow of that fierce and splendid race.

Seven Short Plays:

Seven Short Plays Lady Gregory, 1924 *Volume 7: Short Plays & Sketches* Vijay Padaki, The principle of economy of force applies even at the stage of conceiving a play Many good ideas can be put across on the stage in a short play or a one act play They need not be put on the rack and stretched to a full length script It is cruelty to the audience This is the reason so many full length plays in English in India are bright and attractive in the first half an hour and run out of steam after the intermission Not surprisingly many movie scripts are the same We have avoided the label one act plays preferring to call this compilation short plays One act plays had a historical context in the West and served that context well The context is different today especially in countries like India where the ecosystem of theatre performances makes its own demands on the performers The short play has a legitimate place here A one act play will qualify as a short play but not all short plays are one act plays And then there are the sketches How does one define a sketch Theatre folks have not found a satisfactory definition yet The last sketch in this Volume Ringaling has no spoken word It is done entirely with moves and sound effects a wide variety of ring tones of mobile phones Seven Short Plays, by Lady Gregory Augusta Gregory, 1909 **Seven Short Plays**
