Sex In Development Science Sexuality And Morality In Global Perspective:

Sex in Development Stacy Leigh Pigg, Vincanne Adams, 2005-05-03 Ethnographic studies of the role of sexuality and gender in development discourse and policy Sexuality Reimagined Shailja Tandon, 2023-05-08 The book examines how medical knowledge is produced around bodies that do not fit in the heteronormative framework of the state's rationale and processes. The marginal bodies studied in this research are termed MSM: men who have sex with men, categorized as a high risk group in the backdrop of HIV/AIDS. These Queer bodies entered the registers of epidemiology and governmentality. This classification is the point of departure for the book. The book interrogates and asks how does a sexual subject become a political question. To answer this political trajectory, the book analyses the category of risk in biomedicine. It investigates how the category of risk becomes critical to the Indian state's rationale and policies wherein, through the ambit of health and population, sexuality is managed. Unearthing the sexual politics in South Asia, the book, based on rich empirical evidence derived from the lived experiences of MSM, narrates the construction of sexual subjectivity and masculinity. The process of construction occurs in negotiation with the Indian state, bringing forth the dimension of the Indian state as a medico-legal governmentality regime and how MSM takes on the identity of a medicalized subject. *The Sexual History of the Global South* Saskia Wieringa, Horacio Sívori, 2013-04-11 The Sexual History of the Global South explores the gap between sexuality studies and post-colonial cultural critique. Featuring twelve case studies based on original historical and ethnographic research from countries in Africa, Asia, and Latin America, the book examines the sexual investments underlying the colonial project and the construction of modern nation states. Covering issues of heteronormativity, post-colonial amnesia regarding non-normative sexualities, women's sexual agency, the policing of the boundaries between the public and the private realm, sexual citizenship, the connections between LGBTQ activism and processes of state formation, and the emergence of sexuality studies in the global South, this collection is of great geographical, historical, and topical significance. Modernizing Sexuality Anne Esacove, 2016-06-28 Stepping outside the established boundaries of HIV scholarship, *Modernizing Sexuality* illustrates the ways in which Western idealizations of normative sexuality and the power of modernity come together in US prevention policy and how they actually exacerbate HIV risk, particularly for women. Building on everyday understandings of HIV, this book provides a new narrative that reimagines risk and offers an alternative path for organizing important policy efforts. *Strings Attached* Nadine Beckmann, Alessandro Gusman, Catrine Shroff, 2014-05-01 Religion and AIDS are transforming African public and private domains. This book questions why so much of the transnational religious engagement has seemed to serve conservative values and explores connections between Europe, North America, and Africa, highlighting how these carry both financial resources for HIV/AIDS work and moral values. Gender and HIV/AIDS Nana K. Poku, 2016-04-15 Gender issues are central to the causes and impact of the ongoing AIDS epidemic. The editors bring together cutting edge contemporary scholarship on gender and AIDS in one volume. They address questions related to gender

and sexuality how women and men live the epidemic differently and how such differences lead to different outcomes The volume joins research on Africa Asia and Latin America and illustrates how the epidemic has different gendered characteristics causes and consequences in different regions Collectively the chapters demonstrate the fundamental ways that gender influences the spread of the disease its impact and the success of prevention efforts This scholarly interdisciplinary volume provides a comprehensive introduction to the themes and issues of gender AIDS and global public health and informs students policy makers and practitioners of the complexity of the gendered nature of AIDS

Sex in Development Vincanne Adams, Stacy Leigh Pigg, 2005-05-03 Ethnographic studies of the role of sexuality and gender in development discourse and policy

Sex, Power & Taboo Dorothy E. Roberts, 2009 In the Caribbean sexuality has never been a topic for public discussion Previously relegated to theatrical innuendo musical lyrics and other popular forms of cultural expression the HIV and AIDS pandemic have now thrown this taboo subject centrestage The discourse on gender and sexuality is however still being shaped and this book sets the platform for that discussion Proceeding from a premise that gender influences sexuality and sexual behaviour Sex Power and Taboo provides an interdisciplinary approach to the exploration of how gender affects HIV risk and prevention The paradigm of HIV and AIDS research is shifted by illuminating the influence of gender ideologies norms and power relationships on sexuality and the impact of gender to HIV risk and prevention within and outside of the Caribbean The contributors are Caribbean and international and discuss gender and sexuality for the academic for those in the public health service as well as social policymakers Sex Power and Taboo contributes to the research based interventions to aid the prevention of HIV and AIDS and other sexually transmitted diseases and will assist in the design implementation and evaluation of programmes addressing the AIDS epidemic

Promoting Young People's Sexual Health Roger Ingham, Peter Aggleton, 2006 Key discussions and valuable contributions on different aspects of sexual and reproductive health among young people are brought together here in one single volume

Bulletin of the History of Medicine, 2006 Includes the Transactions of the 15th annual meetings of the American Association of the History of Medicine 1939

Journal of the History of Sexuality, 2006

Feminist Periodicals, 2007

Sexualities Nivedita Menon, 2007 While sexual violence is an area that is well mapped by feminist scholarship this volume focuses on transgressive and marginalised sexualities It brings together writings on India that highlight the transgression of norms of heterosexuality Of geminist and mascline behaviour of recognisably gendered bodies that declare ungoverned desire to be illegitimate Sexualities also includes a selection of campaign documents from diverse sexuality movements in the country

IBSS: Sociology: 2005 Vol. 55 British Library of Political and Economic Science Staff, Compiled by the British Library of Political and Economic Science, 2006-11-03 First published in 1952 the International Bibliography of the Social Sciences anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features authority
