Conaway, 2002-03-20 These two volumes are authoritatively written and lay a solid spiritual foundation for sexual morality These books are educational instructional and inspirational they also provide detailed information about the sources and dangers of current sexual trends in our society Both books represent a unique combination of biblical and biological truth centered upon a theme of sexual purity [The Battle Against Sexual Sin](#) Uchechukwu K. Ozua, The Battle Against Sexual Sin A Christian Perspective is all about the importance of learning and understanding sexual sins its dangers and freedom from it through sexual purity The book explains the unnaturalness of sexual perversions its harbingers and the characters involved in the acts Highlights include sexual sin and sexual perversions masturbation sexting sexual sin and teenagers The author use this book to tell the readers that despite how sexually amoral the world has become Christians can live a chaste and undefiled life through the grace of God After reading this book you will understand how sexual perversions are generated who generates them what consequences are involved and most importantly how to be free from them The book will tell you how to keep yourself body soul and spirit undefiled like a purified life in this crooked and perverse generation [The Life of the Vows](#) Thomas Merton, 2012-09-01 As novice master of the Cistercian Abbey of Our Lady of Gethsemani in Kentucky Thomas Merton presented weekly conferences to familiarize his charges with the meaning and purpose of the vows they aspired to undertake In this setting he offered a thorough exposition of the theological canonical and above all spiritual dimensions of the vows Merton set the vows firmly in the context of the anthropological moral soteriological and ecclesial dimensions of human Christian and monastic life He addressed such classical themes of Christian morality as the nature of the human person and his acts the importance of justice in relation to the Passion of Christ to friendship and to love and self surrender as the key to grace prayer and the vowed life Merton s words on these topics clearly spring from a committed heart and often flow with the soaring intensity of style that we have come to expect in his more enthusiastic prose The texts of these conferences represent the longest and most systematically organized of any of numerous series of conferences that Merton presented during the decade of his mastership They may be the most directly pastoral work Merton ever wrote **Sex and Spirit** Clifford Bishop, 1997 [Why Me?](#) Joseph Ngoma , 2025-10-17 Are you searching for answers to life s toughest questions Have you ever asked Why me In Why Me The Power of Knowledge and Deliverance Joseph Ngoma uncovers the hidden truths that shape our struggles exposing the dangers of ignorance and false knowledge This powerful book dives into spiritual realities false beliefs witchcraft totems and sanctification guiding readers toward the true knowledge that leads to freedom and transformation Discover how the misuse of knowledge has kept many in bondage and learn how to break free through divine wisdom and deliverance This book is not just an eye opener it is a call to action If you seek enlightenment spiritual clarity and a closer relationship with God Why Me is your guide to embracing the truth that sets you free Conclusion Why Me The Power of Knowledge and Deliverance is a
