

# CRITERIA CALCULATED IN U.S. NEWS COLLEGE RANKINGS

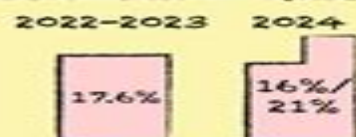

In 2024, the U.S. News and World Report revealed modifications to the criteria and methodology for its annual college rankings. The latest rankings now prioritize social mobility for students, allocating 2.5% of an institution's score to first-generation graduation rate performance and 5% to manageable borrower's debt. These adjustments represent increases from the criteria used in previous years.

Some of the most significant criteria considered in 2024 and the comparison to the 2022-2023 weighting are as follows.

## Peer Assessment

## Graduation Rates

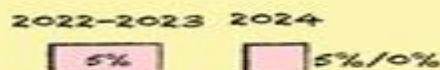

## Financial Resources per Student

## Faculty Salaries

## Standardized Tests

\*The two different percentages represent 2024 National Universities Weight for Schools With Usable SAT/ACT and 2024 National Universities Weight for Schools Without Usable SAT/ACT, respectively.

**Longstreet** Oscar Penn Fitzgerald,1891      Lawyers and the Legal Profession Roy D. Simon,Carol A. Needham,Burnele Venable Powell,2009 The authors employ several techniques to make this book user friendly For example the text gives students black letter law in plain English at the start of many chapters For key topics such as confidentiality conflicts of interest and communicating with adverse parties outlines summarize the law clearly and concisely Other topics begin with short introductory essays about the law This way a student can quickly grasp the basic concepts and be ready to spend class time discussing more sophisticated interesting and important issues Lawyers and the Legal Profession thrusts students into the middle of the debate over current ethical issues and the ethical realities of everyday practice The notes and questions stimulate interesting class discussions while the many problems and longer scenarios provide you the concrete situations in which to anchor the dialogue The casebook provokes vigorous classroom debate while assisting students in developing the capacity for ethical judgment that is so vital to the profession A Teacher s Manual is available for professors      Emory University Publications.
