Dying for a Paycheck Jeffrey Pfeffer, 2018-03-20 In one survey 61 percent of employees said that workplace stress had made them sick and 7 percent said they had actually been hospitalized Job stress costs US employers more than 300 billion annually and may cause 120 000

excess deaths each year In China 1 million people a year may be dying from overwork People are literally dying for a paycheck And it needs to stop In this timely provocative book Jeffrey Pfeffer contends that many modern management commonalities such as long work hours work family conflict and economic insecurity are toxic to employees hurting engagement increasing turnover and destroying people s physical and emotional health and also inimical to company performance He argues that human sustainability should be as important as environmental stewardship You don t have to do a physically dangerous job to confront a health destroying possibly life threatening workplace Just ask the manager in a senior finance role whose immense workload once handled by several employees required frequent all nighters leading to alcohol and drug addiction Or the dedicated news media producer whose commitment to getting the story resulted in a sixty pound weight gain thanks to having no down time to eat properly or exercise Or the marketing professional prescribed antidepressants a week after joining her employer In *Dying for a Paycheck* Jeffrey Pfeffer marshals a vast trove of evidence and numerous examples from all over the world to expose the infuriating truth about modern work life even as organizations allow management practices that literally sicken and kill their employees those policies do not enhance productivity or the bottom line thereby creating a lose lose situation Exploring a range of important topics including layoffs health insurance work family conflict work hours job autonomy and why people remain in toxic environments Pfeffer offers guidance and practical solutions all of us employees employers and the government can use to enhance workplace wellbeing We must wake up to the dangers and enormous costs of today s workplace Pfeffer argues *Dying for a Paycheck* is a clarion call for a social movement focused on human sustainability Pfeffer makes clear that the environment we work in is just as important as the one we live in and with this urgent book he opens our eyes and shows how we can make our workplaces healthier and better

Recalculating Lindsey Pollak,2021-03-23 A leading workplace expert provides an inspirational practical and forward looking career playbook for recent grads career changers and transitioning professionals

looking to thrive in today's rapidly evolving workplace. Covid 19 has heightened career uncertainty in a work landscape dominated by turbulence and change and it is directly impacting how people are entering or re-entering the workplace. But as Lindsey Pollak makes clear, the pandemic merely accelerated career and hiring trends that have been building. Changes that were once slowly spreading have been rapidly implemented across all industries. This means that the old job hunting and career success rules no longer apply. Job seekers of all generations and skill sets must learn how to thrive in this new normal which will include a hybrid of remote and in-person experiences, increased reliance on virtual communication and automation, constant disruption, and renewed employer emphasis on workers' health and well-being. While this new world is complicated and constantly evolving, you won't have to navigate it alone. For twenty years, Pollak has been following the trends and successfully advising young professionals and organizations on workplace success. Now she guides you through the changes currently happening and those to come. Combining insights from both experts and professionals across generations, she provides encouraging, strategic, and actionable advice on making lifelong decisions about education, building a resilient personal brand, using virtual communication to remotely interview, network, and work, skilling and reskilling for the future, and maintaining self-care and mental health. Like your personal GPS, Pollak equips you to handle workplace obstacles, helping you see them as challenges to navigate rather than impossible roadblocks. There is no perfect path to a dream career, but with recalculating, you'll be prepared with the necessary skills and tools to succeed.

Bring Your Human to Work: 10 Surefire Ways to Design a Workplace That Is Good for People, Great for Business, and Just Might Change the World Erica Keswin, 2018-09-28 WALL STREET JOURNAL BESTSELLER

The secret to business success: Get REAL and be HUMAN. As human beings, we are built to connect and form relationships. So it should be no surprise that relationships must also translate into the workplace where we spend most of our time. Companies that recognize this will retain the most productive, creative, and loyal employees and invariably seize the competitive edge. The most successful leaders are those who actively form quality relationships with their employees who honor fundamental human qualities: authenticity, openness, and basic politeness, and apply them day in and day out. Paying attention and genuinely caring about the effects people have on one another is key to developing a winning culture where people perform at the top of their game and want to work. As a workplace strategist and business coach, Erica Keswin has spent over 20 years working with top business leaders and executives to build successful organizations that honor relationships. Featuring case studies from top brands such as Lyft, Starbucks, Mogul, and SoulCycle to name a few, *Bring Your Human to Work* distills the key practices of the most human companies into applicable advice that any business leader can use to build a human workplace. These building blocks include: Understanding your company's role in the world beyond financial profit; Encouraging employees to be healthy in body and spirit; Running your meetings with clear purpose; Making space for face-to-face interaction; Building professional development into company culture; Inspiring your workforce to give back to the community. Simply saying thank you. A human company is

real genuine aligned and true to itself A real company flaunts its humanity instead of hiding it It s what the most successful sustainable companies are doing today and there s no reason yours can t be the same Keswin s leadership lessons foster fairness devotion and joy in the workplace all critical elements of a successful business By bringing your human to work you can design a workplace that is good for people great for business and just might change the world *Baumann's Cosmetic Dermatology, Third Edition* Leslie S.
